

Important Information

Success Initiative

A primary focus of Odessa College is to provide students with the opportunity to learn and be successful in reaching their educational goals. All students who enter a public institution of higher education must meet the testing requirements for reading, writing and mathematics skills prior to enrollment in college level classes. The OC Testing Center offers the COMPASS test, which can be used to satisfy the testing requirement at OC. Performance on the test will not be

used as a condition of admission to Odessa College. Please call the Testing Center at 432-335-6620 for more information.

Some students are exempt from the testing requirements. Please see the list of exemptions and deferments on page 9. If you have questions regarding exemptions/deferments, please contact an OC counselor at 432-335-6433.

Testing Requirements	
TEST	MINIMUM PASSING REQUIREMENTS
<p>COMPASS – Administered by Odessa College</p>	<p>Reading Skills 81 Algebra 39 60 or higher required for College Algebra Writing Skills (objective) 59 Written Essay 6</p>
