Odessa College Role and Mission

Odessa College shall be a two-year institution primarily serving its local taxing district and service area and offering vocational, technical and academic courses for certification or associate degrees. Continuing education, remedial and compensatory education consistent with open-admission policies and programs of counseling and guidance shall be provided. The college shall insist on excellence in all academic areas – instruction, research and public service. Faculty research, using the facilities provided for and consistent with the primary function of the college, is encouraged. Funding for research should be from private sources, competitively acquired sources, local taxes and other local revenue.

Important Information

Student Success Center - All New!

Student Success Center (SSC)

432-335-6878

www.odessa.edu/dept/ssc

Entrance located on the north side of the Learning Resource Center.

SSC Hours

Hours of Operation – Spring and Fall 2010

Monday-Thursday: 8 am-9:30 pm

Friday: 8 am-1 pm

The Student Success Center (SSC) is a valuable resource to Odessa College students needing academic tutoring, study skills training, assistance with Web-based courses, and many other services which promote and enhance the learning process. All services of the Center are free to OC students.

The SSC offers:

- Personal tutors/peer mentors – Tutoring in various academic areas including developmental coursework, conducted preferably by appointment. Walk-ins are always welcome.
- Online tutoring via Blackboard – call 335-6714 to make an appointment
- Individual and small group study rooms
- THEA/ COMPASS preparation and assessment review
- Access to computers and printers
- English for Speakers of Other Languages (ESOL) assistance – Rosetta Stone
- Project Transition in Education (TIE)
- Resources for learning styles assessment

Writing Assistance

The SSC offers one-on-one help to students with any aspect of their writing. Tutors are available to help at any stage of the writing process with such things as choosing a topic; creating a thesis statement; developing and organizing ideas; revision; editing; and citing sources.

Workshops/ Trainings

SSC workshops are available all year to help students develop skills in a variety of areas to promote success and general well-being in college. Topics include but are not limited to the following:

- College Survival Skills
- Test Anxiety
- Time Management
- Critical Thinking
- Basic Skills Training
- Blackboard 101

Learning Resources Center (Library)

LRC Spring & Fall 2010 Hours of Operation

Monday-Thursday: 7:30 am-9:30 pm;

Friday: 7:30 am-1pm; Sunday: 2-5 pm.

Interim, Maymester, and summer hours will vary.

www.odessa.edu/dept/library/

The Learning Resources Center staff welcomes all new and returning students. We are ready to help you with your research whether you need a scholarly article from the Civil War era or up-to-the-minute breaking news. The library carries a variety of reliable electronic resources that are available 24/7 whether you live locally or in another country, including over 50,000 electronic books and hundreds of thousands of periodical articles. Our print and electronic collections are selected with input from faculty, so we have what you need to complete your research.

Adult Basic Education

Odessa College offers basic education classes for out-of-school adults 17 years of age or older who have not completed high school. Classes range from instruction to teach adults to read and write to classes that prepare adults to successfully complete the GED (General Education Development) test.

English for Speakers of Other Languages also is offered for out-of-school adults 17 years of age or older.

Call 432-335-6380 for more information about eligibility requirements, schedules and locations of classes.

Other Academic Regulations

For regulations covering withdrawal from the college, dropping courses, grades, degree plans, degree requirements, etc., see the Odessa College Bulletin – Catalog of Courses.

Changes in Schedule

Class schedules, classroom locations and instructor assignments are tentative and subject to change. In adopting course numbers, titles and descriptions from The Workforce Education Course Manual as instituted by the Texas Higher Education Coordinating Board, some course numbers, titles and descriptions may change after this bulletin is published. Records of such changes are available in the OC Help Center and the Office of the Vice President for Instruction.

Registration Checklist for Students

Before you register:

- ___ Have you applied for admissions?
Apply at www.odessa.edu or contact the Admissions Office, (432) 335-6432.
- ___ Have you had all transcripts and documentation sent (including TAKS or GED scores, or international info)?
To verify, contact the Admissions Office, (432) 335-6432.
- ___ Have you applied for financial aid? (You will need current tax forms.)
Apply at www.fafsa.ed.gov or contact Student Financial Services, (432) 335-6429.
- ___ Have you taken the THEA or COMPASS assessment or are you exempt?
Contact the Testing Center, (432) 335-6620.
- ___ Have you decided what you would like to study?
For assistance contact: OC Help Center and Career Services (432) 335-6433.
- ___ Have you reviewed the catalog for courses of study offered at OC?
- ___ Select class times from this schedule!

Admissions, Student Financial Services, Testing Center, Career Services, Registrar and the OC Help Center are located on the second floor of the Student Union Building.

Registration:

- ___ See your departmental advisor or a counselor in the OC Help Center to assist you in completing a registration form.
- OR
- ___ Register online at www.odessa.edu 24-hours a day, 7 days a week during registration periods, if you are a returning student in good standing.
- ___ Turn in signed registration form to the Registrar's Office or the Wrangler Express Center.
- ___ Go to the Cashier's Office, the Wrangler Express Center or pay online by payment due date.
- ___ Take schedule to Bookstore to price and purchase textbooks.
- ___ Check out housing with Century Commons.
<http://www.campushousing.com/odessa/index.htm>

***The Wrangler Express Center is located on the first floor of the Student Union Building.
OC Help Center and Registrar's Office are located on the second floor of the Student Union Building.
Bookstore is located on the first floor of the Student Union Building.
Cashier's Office is located on the second floor of the Student Union Building.***

Contacting Your

To have access to the registration system via the Web or with staff assistance, each student should first seek out their academic advisor. OC students are paired with an academic advisor according to each student's program of study or major.

Students who have stated an intended major are assigned to the chairperson for the department of their major. In cases of large departments, students may be assigned to faculty members within the appropriate department. Advisors have access to all the information and materials that their advisee students will need to complete the registration process for any of the semesters scheduled in this bulletin.

Students who are taking general academics or basics to transfer and have not stated a specific major are

paired with advisors who have been trained to assist students in making choices for appropriate courses in the Associate of Arts, Associate of Arts in General Studies or Associate of Science. An OC counselor will advise any student whose major is undecided.

Students already enrolled at OC will be assigned to on-campus advisors. Lists of advisors and students assigned to them will be available prior to registration dates. Students should contact the assigned advisor to schedule a time for advising. Once advising is complete the student may register via the Web or with staff assistance up until the published termination of open registration for the semester. For more information, call 335-6433.

Important Information

Success Initiative

A primary focus of Odessa College is to provide students with the opportunity to learn and be successful in reaching their educational goals. All students who enter a public institution of higher education must meet the testing requirements for reading, writing and mathematics skills prior to enrollment in college level classes. The OC Testing Center offers the COMPASS test, which can be used to satisfy the testing requirement at OC. Performance on the test will not be used as a condition of admission

to Odessa College. Please call the Testing Center at 432-335-6620 for more information.

Some students are exempt from the testing requirements. Please see the list of exemptions and deferments on page 9. If you have questions regarding exemptions/deferments, please stop by the Wrangler Express Center, located on the first floor of the Student Union Building or call an OC counselor at 432-335-6433.

Testing Requirements	
TEST	MINIMUM PASSING REQUIREMENTS
COMPASS – Administered by Odessa College	Reading Skills 81 Algebra 39 60 or higher required for College Algebra Writing Skills (objective) 59 Written Essay 6
THEA – Administered statewide. Odessa College is an official testing site.	Reading 230 Mathematics 230 270 or higher required for College Algebra. Writing 220 Minimum passing score of 6 on written essay. Scores of 5 will be considered passing if the student’s score on the objective section meets or exceeds minimum standards.
ASSET – Official scores required.	Reading 41 Writing 40 Written Essay 6 Elementary Algebra 38
ACCUPLACER – Official scores required.	Reading 78 Sentence Skills 80 Written Essay 6 Elementary Algebra 63
* In some skill areas Odessa College has determined minimum scores for eligibility to enroll in college level work are higher than minimum state requirements. Please contact your advisor regarding these requirements.	

Important Information

Exemptions/Deferments	
BASIS FOR EXEMPTION	MINIMUM REQUIREMENTS
ACT Test Results Scores are valid for 5 years from date of test	Composite score of 23, with 19 in math and/or English exempts for corresponding sections
SAT Test Results Scores are valid for 5 years from date of test	Combined score of 1070, with 500 in math and/or critical reading exempts for corresponding sections
PSAT/NMSQT An eleventh-grade high school student is exempt from placement test if he/she achieves the specified requirements.	Combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the critical reading and/or mathematics test relevant to the courses to be attempted
ACT PLAN An eleventh-grade high school student is exempt from placement test if he/she achieves the specified requirements.	Composite score of 23 on the PLAN with a 19 or higher in mathematics AND English
TAKS Test Results Scores are valid for 3 years from date of testing	2200 in math. Lower score requires testing in math. 2200 AND 3 writing subscore in ELA (English/language arts). Lower scores require testing in reading and writing.
College degree previously earned	Associate degree or higher
Transfer students from accredited private or out-of-state institution of higher education	Grades of C or higher in equivalent English, math or reading courses will be evaluated and will normally be used to document readiness.
Previous coursework at another higher education institution to document readiness	Grades of C or higher in equivalent English, math or reading readiness courses or college level courses
Level 1 Certificate students	Technical programs with 42 or fewer semester credit hours
Current military service	Students who are serving on active duty as a member of the armed forces of the United States, Texas National Guard or reserve component of the armed forces of the U.S. and have been serving for at least three years preceding enrollment.
Previous military service	Students who on or after August 1, 1990, were honorably discharged, retired or released from active duty as a member of the armed forces of the U.S. or Texas National Guard or service as a member of a reserve component of the armed forces of the United States.
Students not seeking a degree or certificate – testing deferred	Students wishing to enroll in classes for personal enrichment. Those classes must not be of the nature to require college level skills in reading, writing or math. Maximum of 18 hours, cumulative.
New students choosing to take only developmental coursework	Allowed to enroll first semester without testing. Testing required before student is permitted to enroll for college level coursework.

Distance Education

Odessa College has an extensive distance education program which delivers instruction to sites other than the OC campus. The program includes two-way audio-video, Internet and dual credit instruction. Odessa College also offers traditional classroom courses in various towns throughout the Permian Basin.

Student Email

OC provides student email accounts to all registered students at no charge. **It is the policy of Odessa College that all communication between students and the OC faculty and staff requires that students use their OC student email accounts.** In addition, all students enrolled in Web courses must activate their student email accounts and contact their instructors by email using their student account prior to the first day of class. Your student email instructions and log in information are available at the following URL: <http://www.odessa.edu/livemail.htm>.

Blackboard Courses

Odessa College offers numerous courses via Internet using Blackboard, the Web course software that faculty at Odessa College utilize to host courses on the World Wide Web. Students enrolled in Web courses will be issued a Blackboard username and a password in order to access their courses. Students may access Blackboard and Blackboard log on instructions at the following URL: <http://blackboard.odessa.edu/>. If you cannot access Blackboard using your username and password format specified in the instructions (see URL above) you are encouraged to contact your instructor. Also, you may contact the OC Help Desk by phone at 432-335-MORE (6673). The Student Success Center, located in the LRC building, also offers Blackboard and Web course assistance and online tutoring in many academic areas. You may contact the SSC by phone at 432-335-6878 or in person.

OC Global Courses (see pages 61-72)

OC Global is a distance education program that offers students the opportunity to earn an associate degree or certificate via the Internet without having to live in close proximity to the campus. Through innovative technology, educational opportunities, that at one time only were available in the physical classroom, are more accessible via the Internet allowing students to complete all courses online for a degree. OC Global provides educational opportunities to anyone, anywhere, at any time. For more information, please email OC Global at ocglobalhelp@odessa.edu or call 432-335-6882.

Virtual College of Texas

Virtual College of Texas (VCT) courses allow students to take a class from another college if the academic course you need is not offered by Odessa College.

These courses are offered via the Internet using the format stipulated by the college offering the course. Starting and ending dates may vary from those of Odessa College's courses and will be discussed with students during the VCT course registration process. Students advised to take a course through the VCT may access the course information by going online to: www.vct.org or www.odessa.edu/virtual/vct/. In order to enroll in a class, you must contact the VCT liaison during working hours in person (Center for Teaching Excellence in DH 140) or call 432-335-6882. VCT courses may require an additional fee.

Two-Way Audio-Video Courses

Two-way audio-video courses are taught on the OC campus and offered at the Pecos Technical Training Center, Andrews Business and Technology Center, and area high schools. High school students interested in these classes should consult their high school counselor.

collegeNOW and collegeNOW Academy Courses

“collegeNOW” dual credit courses are for high school juniors and seniors who want to earn college credit while earning high school credit. The “collegeNOW” program is open to high school students who are enrolled in a high school that has a “collegeNOW” enrollment agreement with Odessa College. “collegeNOW” students may enroll in 1 or 2 classes after meeting eligibility requirements. Dual credit classes are taught on the high school campus or at Odessa College. Students interested in this program must obtain permission from their parent or guardian (if under 18) and high school counselor and must complete registration with the Odessa College Registrar's Office. Please call 432-335-6317 for more information.

“collegeNOW Academy” dual credit courses are for high school sophomores, juniors and seniors who want to earn college credit while earning high school credit. The “collegeNOW Academy” is open to high school students who are enrolled in a high school that has a “collegeNOW Academy” enrollment agreement with Odessa College. Dual credit classes are taught on the high school campus, online, or at Odessa College. Students may take three classes per semester if they meet the eligibility standard for this program. Students interested in this program must obtain permission from their parent or guardian (if under 18) and high school counselor, and they must complete registration with the Odessa College Registrar's Office. Please call 432-335-6317 for more information.

Financial Information

Odessa College will award students approximately \$6 million in financial aid in the form of scholarships, grants, loans and work/study jobs during the 2009-2010 school year.

Scholarships

Scholarships are gift aid, which do not need to be repaid, and are based on academic achievement or talent in a particular field. Every year OC awards more than \$150,000 in academic scholarships. Amounts range from \$600 to \$1800 per year and some cover all tuition, fees and books. Students must complete an OC Scholarship Application, available from the Student Financial Services office. April 1, 2010 is the priority deadline for scholarship applications for the 2010-2011 academic year. Some instructional departments also award scholarships. These include art, music, occupational safety and health, nursing, photography and diesel mechanics. Amounts and requirements of departmental scholarships vary. The OC Foundation Office also has scholarships available for students who are not receiving other financial aid.

Grants

Grants are federal and state gift aid based on financial need. The Federal Pell Grant is the primary grant. Other grants include Supplemental Educational Opportunity Grant (SEOG), Academic Competitiveness Grant (ACG), Texas Public Educational Grant (TPEG), Texas Grant and Texas Educational Opportunity Grant (TEOG).

Loans

The two major federal loan programs are the Subsidized Stafford and Unsubsidized Stafford. In addition to signing a promissory note with a lender, students must turn in an OC Loan Request Form and complete entrance loan counseling. Parents of students may borrow under the PLUS program. All loans must be repaid with interest.

Work/Study

OC offers part-time jobs through federal and state work-study programs and on campus non-work-study employment to help students earn money to pay expenses.

How and When to Apply

To apply for grants, loans or work/study, you must complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. Do not use any other Web address or you may be charged processing fees. You will need to set up a PIN (personal identification number) to use as a signature for the FAFSA. Dependent students will also need to set up a PIN for a parent and provide parent information on the application. Paper FAFSAs are also available but take longer to process. After completing the FAFSA, you will receive a SAR (student aid report) by email or regular mail if no email address is provided. Review the SAR and make any needed corrections. Student Financial Services may request additional paperwork from you.

Priority deadlines for applications are November 1 for the spring semester and June 1 for the fall semester. Students who meet the deadline and qualify may be awarded in time to register and purchase books. Applications are accepted after the priority deadline but students who miss the deadline should plan to make other arrangements, such as the FACTS payment plan, to pay for books, tuition and fees until financial aid eligibility can be determined.

For more information about aid programs or the application process, contact Student Financial Services at (432)335-6429 or visit the financial aid Web pages at www.odessa.edu.

Tax Credits and Income Deductions

Tax credits and income deductions also help parents and students by lowering the amount of income tax paid. The American Opportunity Credit authorizes a tax credit of up to \$2,500 for out of pocket higher education expenses for course materials such as books, tuition, and fees in 2009 and 2010. The Lifetime Learning Credit allows taxpayers to claim a credit of up to \$2,000 for qualified education expenses paid for all students enrolled in eligible educational institutions. If the taxpayer's income is too high for a tax credit, the tuition and fee income deduction is another option. Consult a tax advisor or the IRS for more information.

***Student Financial Services is located on the second floor of the Student Union Building.
The OC Foundation Office is located on the first floor of the Administration Building.***

Financial Information

TUITION AND FEES

\$25 non-refundable down payment is required to hold only pre-registered classes.

Tuition Rates

Please note that the table below reflects the 2009-2010 tuition and fee rates adopted by the Odessa College Board of Trustees. The schedule is subject to revision by the Legislature of the state of Texas, the Odessa College board of trustees and/or the administration of Odessa College.

SEMESTER HOURS	IN-DISTRICT RESIDENT	OUT-OF-DISTRICT RESIDENT	OUT-OF-STATE NON-RESIDENT
1	\$189	\$264	\$489
2	189	264	489

24	1,512	2,112	2,862
25	1,575	2,200	2,975

See pages 14-15 for lab fees, private instruction fees, travel fees, testing fees and miscellaneous fees.

NOTE: Third Attempt Tuition Surcharge

Per state law, students who register for a credit course a third or subsequent time will be charged a tuition surcharge of \$60 per credit hour. The "Third Attempt" tuition costs will not apply to developmental courses, continuing education courses, special-studies courses in which the content changes each time, or other select courses.

Financial Information

Estimated Cost Per Semester

Students must purchase their own textbooks, workbooks and supplies such as paper and pencils. Some courses also require the purchase of special supplies.

July 12-19	100%	70%
July 20-21	25%	25%
After July 21	None	None

Canceled Classes

If a class is canceled by the college, all tuition and fees for that course will be refunded.

Other Than Semester-Length Courses

Refund of tuition and fees will be calculated on varying scales, depending on the course length. Refunds will be processed one week after the final day of the refund period.

Method of Calculating Class Days

A class day is defined as a day during which college classes for a specific semester are conducted. The count begins with the first day classes are held in the term and includes each consecutive day thereafter. The count is not just of days a particular class meets. Refunds will be processed after the last class day to withdraw for each semester. Allow two to three weeks for receipt of refund check after the processing date. Odessa College reserves the right to deduct from the refund any outstanding financial obligations to the college. Tuition and fees paid directly to the institution by a sponsor, donor, scholarship, institutional loan, or VISA, MasterCard, Discover or American Express shall be refunded to the source rather than directly to the student.

Returned Check Policy

All returned checks are collected through Equifax Inc. or Checks Inc. A returned check fee is charged per check by each company. Returned checks should be paid within five days of the date notification is mailed to the student. Checks returned for tuition and fees may result in the student's automatic withdrawal from the college and all college records may be withheld. The student may re-enroll upon payment of all tuition and fees due. Odessa College reserves the right to require payment in cash from individuals with a history of returned checks. Students attempting to drop classes by stopping payment on their checks instead of initiating approved drop procedures through the Registrar's Office shall be subject to the normal returned check penalties.

Debt Owed the College

All forms of indebtedness to the college, including tuition, fees, fines, installment payment plans, returned checks, property loss and property damage, must be paid before a student may re-enroll or have a transcript request honored. Failure to pay an outstanding account can result in the student being withdrawn from classes. Any outstanding accounts past 60 days will be turned over to collections with additional fees attached.

Dropping a Course

A student wishing to drop a course may do so on the Web or by obtaining a drop form from the Wrangler Express Center. Students are encouraged to consult with instructors. Students attempting to drop a developmental course must secure the signature of their developmental instructor. Athletes must get prior approval from their coaches before a drop can be processed. Students must drop a class before the official withdrawal date stated in the class schedule. No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to officially drop a class will result in a grade of "F."

Withdrawing From College

A student may not process a complete withdrawal from all classes at Odessa College online. To completely withdraw from a semester, the student must obtain a withdrawal form from the Registrar's Office and follow appropriate checkout procedures. Students are encouraged to consult with instructors. Students attempting to withdraw from the college, and are enrolled in a developmental course, must secure the signature of their developmental instructor. The student may withdraw in person, or by written request delivered to the Wrangler Express Center by the deadline for the last day to drop with a "W." The student must return their college ID and parking permit with the withdrawal request.

SURGICAL TECHNOLOGY

Students residing in the Permian Basin will be able to earn a certificate in Surgical Technology through an Odessa College partnership with Howard College's San Angelo campus and Odessa's Medical Center Hospital (MCH). Students can take the prerequisite courses at Odessa College or an other accredited college. Howard College (HC) faculty will teach the theory courses on the OC campus and the clinical (hands-on) courses at MCH. This is a selective admission program with limited space. Applications must be approved by Howard College. Tuition for the surgical technology courses (those beginning with SRGT) is paid to Howard College. Out-of-district tuition rates apply. For further information, contact Carmen Edwards, OC's Dean of Nursing and Allied Health, at 432-335-6463; Kim Kwiatkowski, MCH's Surgical Services & Education Coordinator, at 432-640-1264; or Natalie Davis, HC's Surgical Technology Program Director, at 432-325-481-8371, ext. 432.
