What are the advantages of taking OC Global courses?

OC Global courses are designed for ALL students: traditional, nontraditional and especially busy working adults.

Flexible Enrollment

OC Global courses start every four weeks, so you do not have to wait for the beginning of the next semester to start classes. (A limited number of courses will be offered in the last four weeks of the semester.)

On Demand

If there is a core course that you need, but it is not listed in the schedule or available the semester you need it, OC Global can provide it for you, in some cases in less than a week. If you need a specific core course right away, contact us at ocglobal@odessa.edu to get you started.

Flexible Due Dates

All courses have flexible assignment due dates, allowing you to work and complete the course at your own pace.

Guaranteed

The word “APPROVED” written across the OC Global logo represents the OC Global Guarantee which allows a student who fails an OC Global course to repeat that course tuition free. To qualify for the guarantee, students must demonstrate a good faith effort to complete the course. (Go to www.myocglobal.com for a complete list of rules.)
