## 2011/2012 VERIFICATION WORKSHEET – DEPENDENT STUDENT

Your application was selected for review in a process called "Verification." In this process, the school will compare information from your application with signed copies of both your and your parent's 2010 Federal tax forms, 2010 W-2 forms and other financial documents needed. The law says we have the right to ask you for this information before awarding federal aid under program rules 34 CFR, Part 668. If there are differences between your application information and your financial documents, corrections may need to be made to your FAFSA which could change your eligibility. Complete and return this verification form to us as soon as possible, so that your financial aid won't be delayed. ***The verification process may take several weeks.***
