I have read and understand the PLUS Loan request form in its entirety. I understand that I must pass a credit check. I understand that Student Financial Services may not be able to certify a loan for the amount that I requested. I understand that the student must be enrolled in at least 6 credit hours and meet satisfactory academic progress requirements regarding GPA and hours. I understand that loans are disbursed in two payments per semester and the first payment cannot be disbursed earlier than the first class day. I understand that I may have to make other payment arrangements until my loan funds arrive. I understand that this is a request for a loan that must be repaid with interest and that repayment begins on the date of the last disbursement or when the student's enrollment drops below 6 credit hours.
