- Minimum academic progress standards must be met in order to receive financial aid for Summer 2011. **For students attending Spring 2011**, academic progress will be evaluated at the conclusion of that semester. This means that if a student does not meet minimum standards during Spring 2011, he/she will no longer qualify for aid awarded for the Summer 2011 sessions.
- The aid listed on your **Summer award letter** will be calculated according to the information you provided at the top of this form. Please contact our office if you decide to make a change to your summer schedule because there could be a **SIGNIFICANT CHANGE** in the amount of your award or **YOU COULD BECOME INELIGIBLE FOR AID.**
- If you enroll in a session during which you do not qualify for aid you will need to make arrangements to pay for tuition, fees, and books for that session. Balance checks for the Summer sessions will be issued 14 days after the semester start date, if any grant money remains after tuition, fees, and books are paid.
