Odessa College extension class registration in Andrews underway

ODESSA (Nov. 17, 2008) – Students wanting to take classes through Odessa College at the Andrews Business and Technology Center can register online or on the OC campus in Odessa for the spring 2009 semester from 8 a.m. to 5: 30 p.m. Monday through Thursday and 8 a.m. to 1 p.m. Friday beginning Monday, Nov. 17. Odessa College is offering 18 courses at the Andrews Business and Technology Center for the spring semester.

Students also have the option of registering 24 hours a day for classes online through the Odessa College Web site. Web registration access for spring 2009 classes will be available Monday, Nov. 17 through Monday, Jan. 19. Students can log onto www.odessa.edu and click on the “WebAdvisor/E-reg” link in the upper right hand side of the screen. Spring classes begin Tuesday, Jan. 20, 2009.

Spring classes in Andrews include Art Appreciation, Anatomy and Physiology II, Introduction to Accounting, College Algebra, Federal Government, Public Speaking, English Composition and Literature, Introduction to Psychology and many more.

Odessa College also offers a number of Internet courses. A complete listing of courses is available in the spring/summer 2009 schedule, which can be picked up at the Andrews Business Technology Center.

Students also can review the schedule online on the OC Web site at www.odessa.edu.

For more information on spring registration or to request a copy of the schedule, call the OC Help Center at (432) 335-6433.
