Odessa College enrollment numbers increase for fall 2008

ODESSA (Sept. 16, 2008) – Odessa College’s fall 2008 enrollment numbers are 4,682 which is a 2.05 percent increase from fall 2007’s enrollment of 4,588 students.

These enrollment numbers include the flex numbers.

OC President Dr. Gregory Williams said he is pleased to see Odessa College continuing to show growth and improvement in the area of student enrollment.

“We thank the students who chose us and we also thank our community for continuing to trust that Odessa College can and will serve its educational needs,” he said.

“I also thank the Odessa College Board of Trustees, faculty, staff and administration for all that they do to serve and educate our students.”

Williams added, “While Odessa College continues to celebrate its enrollment improvements, we also are busy working on more ideas, more educational programs, and more services for students that will continue to move OC in a very positive direction.”

“Again, I am very proud of our success, but I know that we can and will do more to better serve our community,” he said.
