### **OC to host ‘Health Career Information and Advisement’ event Nov. 13**

ODESSA (Nov. 5, 2008) – Odessa College nursing and allied health division will host a “Health Career Information and Advisement” session at 5:30 p.m. Thursday, Nov. 13 in Room 107 of the Composite Technology Building on the OC campus.

For those interested in a career in health care, then Odessa College is the place to help make dreams come true! OC offers the following credit programs:

- Nursing (RN and LVN)
- Emergency Medical Technician (EMT) and Paramedic (EMT-P)
- Physical Therapist Assistant
- Radiologic Technology (x-ray)

Now OC also offers an exciting new one-year certificate program in Surgical Technology, in cooperation with Howard College and Odessa Medical Center Hospital.

During the “Health Career Information and Advisement” session, instructors who teach in these programs will tell prospective students about their respective professions and answer questions.

For more information contact Carmen Edwards, OC dean of nursing and allied health, at 335-6463 or by email at [cedwards@odessa.edu](mailto:cedwards@odessa.edu).
