OC hosting Pre-Engineering Summer Bridge program for students

ODESSA (May 19, 2010) – Odessa College is giving those interested in a career in engineering a jump start on their education this summer in the Pre-Engineering Summer Bridge program.

The OC Pre-Engineering Summer Bridge program is a specially designed learning community for students interested in engineering. Tuition, fees, textbooks and meals will be provided at no cost to participants during the two sessions that will be held June 7 through July 8 and July 12 through Aug. 12 at OC.

Students will have the opportunity to earn up to seven hours of college credit and use engineering software while participating in engineering projects and seminars with professional engineers. Students must meet a certain criteria in order to be eligible for the program.

Those interested in knowing more about eligibility or registering now can contact Lorinda Tercero, OC pre-engineering bridge coordinator, at 335-6756 or ltercero@odessa.edu, Dr. Krista Cohlma, OC math and engineering department chair, 335-6638 or kcohlmia@odessa.edu or Dr. Susan Crain, OC pre-engineering grant director, at 335-6770 or scrain@odessa.edu.
