OC offering 25 percent off tuition for summer sessions

ODESSA (April 20, 2010) – You still have time to take advantage of Odessa College’s reduced summer tuition rate. OC, in order to help break down educational cost barriers during a time of economic downturn, is offering students 25 percent off its already low-cost tuition for courses taken during summer I and/or summer II. You can register for summer I through June 6 and summer II through July 8.

It is the perfect time to take advantage of these tuition savings. As an example, if an in-district-student takes six hours during either of the two summer sessions, the tuition would be \$234 plus books and fees – an almost \$78 savings – rather than the regular price of \$312 plus books and fees. Out-of-district students also will benefit from the reduced tuition savings. Students who have already registered and paid for their summer classes will receive a refund for the difference in the tuition. The special summer tuition reduction applies to all students taking OC college credit classes online, on campus or at an OC extension site.

Odessa College is committed to providing the highest quality education for its students as well as providing more benefits and opportunities for its community.

Registration is available from 5 a.m. to midnight online at www.odessa.edu or on campus during the hours of 7:30 a.m.-7 p.m. Monday through Thursday, 7:30 a.m.-5 p.m. on Friday and 9 a.m.-noon Saturday in Wrangler Express Center.

Beginning Saturday, May 15, the OC Wrangler Express Center will observe summer office hours. Students then will be able to register for fall 2010 on campus from 7:30 a.m.-7 p.m. Monday through Thursday and 8 a.m.-5 p.m. Friday. Regular hours will resume Monday, Aug. 2.

For more information on OC’s reduced summer tuition or registration, please call the Wrangler Express Center at 335-6849 or log on to the Web site at www.odessa.edu.
