

Photography Program

Spring 2012 Schedule of Courses

Advanced Registration

Advanced registration begins Monday, Nov. 14. Early registration assures the best selections of classes and guarantees a spot in the course. When your registration is processed, you will get a copy of your schedule and the bill for your tuition. The payment date will be noted on your bill. If you do not pay by then, you will be dropped from the computer and will have to register right before the semester begins. Below you will find class selections for the photo major with the schedule of general education requirements. Many students elect to take a general education course during the midwinter or summer to lighten their course load during the fall and spring semesters. Students are encouraged to stay within their degree plan or discuss alternatives with Steve.

Major Requirements (Spring Offerings)

ARTS 2356 (COMM 1318) BASIC PHOTOGRAPHY I (1ST 8 WKS)	MW 9:00 AM TO 10:50 AM
