## Student Engagement

---

Students who are actively engaged in their online course are more likely to be successful than those who are not. OC Global students are expected to remain engaged in the course by:

1. **Participating** in all required discussions and activities,
2. **Interacting** regularly with the instructor and other course participants.

To stay engaged, students are encouraged to check **Blackboard** daily to learn of updated announcements, assignments, and discussion posts and to communicate with members of the class. By “talking” on Discussion Board and responding to others comments and questions, you contribute to the learning and understanding that goes on in the class.
