COURSE OBJECTIVES

1. To present the basic concepts of politics that will better enable you, the student, to understand Texas government and politics.
2. To motivate you, the student, to take an interest in and understand issues and problems facing the United States, Texas, and Odessa or city which you live in.
3. To stimulate you, the student, to exercise your privileges and obligations as a U.S. citizen, through participation in local, state, and national political activities.

DROP POLICY

You are responsible for dropping this class if you quit doing the work. The instructor **will not** do so . Failure to drop results in an F.

DISCUSSION GROUPS

We will have several discussion group topics in this course. The discussions are not 'at will' but are considered an integral part of your learning. The selected topics will be posted online with specific instructions and due date. You will receive a grade for your discussion and responses to the other students' comments. **You must participate in all four discussion topics. At the end of the discussion period, you must post your final "Summary" of the discussion topic on Blackboard under "Assignments"--the appropriate unit # and assignment name.** Please see the [discussion topics](#) for detailed instructions. To enter into the discussion area you will go to [Blackboard](#). Please follow the instructions as given. If you have any questions, please contact your [instructor](#). ***Your grade will be based on the more detailed SUMMARY you will write on the discussion topic--elaborating on your initial comments and adding your views based on reading the posted comments of fellow students in the class.***

EXAMINATIONS

There will be four exams, each worth 100 points. They will consist of 50 two-point objective questions. You will have **50 minutes** maximum to take each of the four exams. **You will be penalized two points for each minute you exceed the 50 minute time limit. A 200 point comprehensive final exam composed of all objective questions will be given. You must schedule the final exam to be taken on the assigned day in either the OC Student Success Center or a secure testing facility. Arrangement must be approved by the instructor.**

I RESERVE THE RIGHT TO DETERMINE IF YOU HAVE A VALID REASON FOR MISSING AN EXAM. YOU WILL NOT HAVE THE CHANCE TO TAKE A MAKE-UP FOR AN INVALID REASON.

MAKE-UP EXAMS AND QUIZZES

If you are unable to take a test during the assigned time period, you need to contact the instructor ASAP. **Failure to do this will result in a loss of a letter grade on the exam.** Otherwise, there are **no make-ups. I RESERVE THE RIGHT TO DECIDE IF YOUR REASON FOR MISSING AN EXAM IS INVALID AND IF I SUSPECT IT IS, YOU WILL NOT HAVE THE CHANCE TO TAKE A MAKE-UP.**

DISCUSSIONS

Four discussion topics will be posted and **mandatory** for all students to participate in as part of the discussion grade. Each question will be worth up to 50 (fifty) points. **Discussion topics will be posted for a total of two weeks and your final SUMMARY is due by 1 p.m. on the Friday of the second week.**

INTERNET ASSIGNMENTS

Four Internet assignments will be required. Each will be worth a total of 50 (fifty) points. Two of the **mandatory** Internet assignments are listed--one from Unit 4 on political parties and one from Unit 6 concerning the Texas Legislature. **The other two Internet assignments can be selected from any of the others assignments listed under web activities. The internet assignments are due--by 1 p.m.-- on the Friday of the last week on that unit.**

UNIT OBJECTIVE SHEETS

Unit objective sheets for all eleven units are included in the lecture notes. They will serve both as guide to what the instructor considers important from the texts, lecture notes, research, and discussions, and what the student is expected to know at the completion of the unit. They will also serve as a good study guide for the exams because the exam questions will be drawn from these objective sheets.

PROJECTS

Additional projects (research papers, book reports, etc.) beyond those assigned are optional. Topics or book must receive **instructor approval**. A written description must be submitted by the seventh week of class (). Projects are

due **one week before** the last scheduled class A "Project Handout" explaining specific rules to follow and describing how the project will be graded will be posted on line. A project does not and cannot be substituted for a test grade. The project grade will be counted as an additional grade to be averaged in with all other grades.

GRADING POLICY

The final course grade will be determined on a percentage basis:

90-100% = 900 points = A	Exam #1 100 points = 10% of course grade
80-89% = 800 points = B	Exam #2 100 points = 10% of course grade
70-79% = 700 points = C	Exam #3 100 points = 10% of course grade
60-69% = 600 points = D	Exam #4 100 points = 10% of course grade
Below 600 points or 60% = F	Four Discussion Summaries = 200 points = 20% of course grade
	Four Internet Assignments = 200 points = 20% of course grade
	Final 200 points = 20% of course grade

BONUS POINTS

Ten points for a current voters card will be given and added to your total point count before the course grade is averaged.

ACADEMIC DISHONESTY

Online exams and papers are basically open book. However, I would prefer that you attempt to complete them without using the text or lecture notes. Exam taking should be done alone and not a collaborative effort performed with other students in the class or who have previously taken the class. Cheating or plagiarism will result in the grade of 0. **Remember, on your essays and papers, cite your sources and URL sites.**

ODESSA COLLEGE CODE OF STUDENT VIRTUAL COLLEGE EXPECTATIONS

How well you do in college is connected, at least in part, to how well you can adjust to the various expectations attached to your new role as a college student. Teachers will judge you by how well or poorly you conform to their expectations of a successful student. These guidelines do not represent those of all instructors, but it pays you to know, ***in general***, what behaviors define a good student. Obviously, I may have slightly different expectations that you should ask about if they are not made clear to you early in the semester. What follows is a general description of what I expect from my students:

1. Good students behave in ways that enhance the learning experience for everyone in the class.
2. Good students are engaged in the class, often actively participating in discussion.
3. They use appropriate language in discussion: no profanity or foul language.
4. Good students practice personal and academic integrity.
5. They do not cheat on tests or other assignments.
6. They do not plagiarize on assignments: hand in the work of others as their own.
7. They do not lie or make excuses.
8. They complete assignments, projects, papers, and exams in a timely manner.
9. Good students respect the dignity and opinions of all people.
10. They do not compromise or demean the dignity of others by taunting, teasing, insulting, sexually harassing or discriminating.
11. They encourage the equal rights and treatment of all students, regardless of age, gender, race, religion, ethnic heritage, socioeconomic status, sexual orientation and/or political ideology.
12. They recognize it is their responsibility to communicate any problems or concerns to the appropriate Odessa college personnel, such as instructors, counselors, and coaches. This includes extended absences, health problems, job conflicts, emergencies, incarcerations, family problems, and documented learning disabilities.
13. They follow appropriate procedures if they have a grievance. After discussing the problem with the instructor, coach, or counselor first, they proceed in a hierarchical order as diagramed below, following the steps outlined in the Student Right to Due Process, available in full text from the office of the Vice-President for Student Life.

Grievance Policy - Chain of Command

**Student -> Instructor -> Department Chair -> Division Dean ->
Vice President -> President -> Board of Trustees**

Students: If you know the terms and material contained in the Unit Objectives, you will

be well prepared for the exams. All exam questions will be drawn from these items. The Unit Objectives are available by clicking on the "Unit Objectives" button.
