

Odessa College cares about the health and safety of all members of our campus community. The purpose of the College’s **Behavior Intervention Team (BIT)** is to apply a multidisciplinary approach to preventing individuals from harming themselves or others and generally to assist persons in need. These persons include students of the Odessa College community who may pose a threat or disruption to our campus community.

Early College High School students are considered college students and are **subject to BIT protocol**; however, **TEA and ISD practices and mandates supersede the college practice and intervention in some cases.** The guide below will ensure that professionals intervene quickly and that the behavior is documented. The intent is to ensure that students are served or sanctioned appropriately without double jeopardy. **Please use this guide to address BIT reports for ECHS students.**

Call 911 in the event of an emergency or imminent threat.

OCPD on Call 432-238-6334	OCTECHS Campus 432-456-6409	OCA Campus 432-456-6429
