Course Description

The purpose of this course is to introduce and promote strength through proper techniques of lifting and weight training. Physical assessments enable students to personalize their own workouts and attain their fitness goals. Students will perform basic calculations to determine appropriate workload, volume, sets, repetitions, intensity, progression and recovery to meet their fitness goals. **1 semester credit hour.**

Course Objectives

As a result of the class the student should be able to:

1. To introduce the students to strength training as a life long activity.
2. To learn advanced concepts of strength training using different types of resistance formats.
3. To learn the muscles used in individual lifts, their names, locations and functions.
4. To learn proper technique of advanced strength exercises.
5. To provide students with the opportunity to improve his/her fitness level.
6. To expose students to methods of objectively evaluating lifting programs and for measuring strength, muscular endurance and power.
7. Acquire basic knowledge of nutrition.

CLASS ATTENDANCE POLICY

It is important that you attend every class – it is expected. You should expect that each absence will adversely affect your course grade. The only excused absences that I will accept are college-sponsored activities and medical emergencies (must show proof).

DAYS/WEEK	# IF UNEXCUSED	LETTER GRADE
<u>CLASS MEETS</u>	<u>ABSENCES ALLOWED</u>	<u>DEDUCTION FOR EVERY</u>
3	3	4th absence

It is your responsibility to contact the instructor before class begins. Leaving class early is an extreme annoyance to the entire class. Anyone leaving class early without the instructor’s permission will be counted absent for the entire class.

Being late for class is an extreme annoyance to the entire class. Be on time! Each day that you are tardy, (which means I have already began class) your final grade will be **deducted ½ point for each class that you are tardy.**

If you are unable to complete this course, you must withdraw from it by the official drop date for the corresponding semester. Withdrawal is a formal procedure, which you must initiate; I cannot do it for you. You may do this in the Admissions/Registrars office. If you stop attending class and do not withdraw, you will receive a performance grade, usually an “F”. If you think you must withdraw from this course, please talk to me about it first.
