

# Course Syllabus

<b>Department</b>	:	Physical Education
<b>Course Title</b>	:	Lifestyle Assessment & Modification
<b>Section Name</b>	:	PHED_1100_WB_WB9_WB8_WZ8
<b>Start Date</b>	:	01/18/2011
<b>End Date</b>	:	05/13/2011
<b>Modality</b>	:	Hybrid
<b>Credits</b>	:	1

## Instructor Information

<b>Name</b>	:	Karin Carlson
<b>OC Email</b>	:	kcarlson@odessa.edu
<b>OC Phone #</b>	:	(432) 335-6563

## Course Description

This course will provide students with accurate, up-to-date coverage of the components of health-related fitness, as well as coverage of nutrition, stress, substance abuse, chronic diseases, and injury prevention. It also gives students the practical tools they need to take charge of their wellness-related behaviors and adopt a healthier lifestyle.

Learning opportunities will be provided to introduce and maintain higher education health standards. Includes assessment of cardiovascular endurance, muscular strength and endurance, flexibility, body composition, nutrition, stress and blood pressure. Students will select and participate in physical activities which will produce desired physical results. This course culminates with an individualized lifelong wellness plan. Lab fee required.

## Prerequisites/Corequisites

None.

## Scans

2,3, 4, 6, 8, 9, 10

## Course Objectives

Upon completion of this course, students should be able to:

1. Introduce and promote the fundamentals of a well balanced conditioning program.
2. Describe how much exercise is recommended for developing health and fitness.

3. Explain the goal of physical training and the basic principles of training.
4. Explain terminology in order to achieve a better understanding of fitness.
5. Describe strategies that can help you maintain a fitness program over the long term.
6. Discuss the components of health-related and skill-related physical fitness and how they can be enhanced by activity.
7. Test various components of physical fitness in order to see how they compare to the norm.
8. Be able to describe the role proper nutrition plays in attaining and keeping a high level of fitness.
9. Receive information on the following areas: planning a fitness program, weight management, nutrition, and stress management.

### **CLASS ATTENDANCE POLICY**

**THIS IS NOT A SELF-PACED COURSE!** This is a web-enhanced course with scheduled quizzes/ assignments. Thus, you should use self-discipline to be efficient with this class, pay attention to the calendar, and take notes over the material.

It is important that you log-on to the course every week - it is expected. **You will receive an absence for each week that you do not access the course online and complete the Discussion Board. Your final grade will be dropped 1 letter grade after each consecutive 3 absences** You should expect that each absence will adversely affect your course grade. The only excused absences that I will accept are college-sponsored activities and medical emergencies (must show proof). It is your responsibility to complete assignments by the scheduled date.

**Assignments:** This course will be web-enhanced through CourseCompass. Material is presented primarily from readings assignments from the 11 chapters of the text. All assignments posted in the course are expected to be completed in Word document format and submitted in the assignment as an attachment. **Do not email assignments and exercise logs to my email address. All assignments must be submitted in CourseCompass.** This will allow for the student and instructor to see if the assignment was posted and for viewing of instructor comments.

**Assessments:** **Mandatory attendance is required for this section of the course.** Please look for the posted dates and times and show up! **Your final grade will drop 1 letter grade for not attending both pre-and post-assessments.**

**Activity:** **You will accumulate a minimum of 168 points (or 42 hours) of activity throughout the semester by averaging a minimum of 3-4 hours per week. ONLY 1 hour per day will count towards your grade.** Any physical activity can be counted towards your activity points just as long as it exercise activity not your daily physical requirements (jobs, parenting,etc. . .) The Odessa College Sports Center is a fabulous facility to exercise (<http://www.odessa.edu/ce/fit-rec/>) I strongly encourage you to exercise at our facility. However, I do allow

students to complete at other locations. All physical activity information must be recorded and turned in weekly.

### COURSE UPDATES

The student is responsible for checking the syllabus online for changes frequently may be updated often as needed.
