Encouragement

I very much want you to succeed in this class, and I know that you can do it. I have high expectations for my students and set high standards. I want to help you develop analytical reading skills, your critical thinking skills, and to continue to develop your ability to clearly articulate your ideas. This will serve you not only in this and other classes but in your personal and professional development as well. If you have any questions, I encourage you to contact me. I look forward to a fun, interesting, and productive semester.

Computer Access

You need to have regular access to a computer for this class:

Internet - You need to have dependable access to the internet.

Word Processor - All assignments should be typed, saved to your computer, and then submitted to Blackboard. If you don't have Word, most computers come with Works already loaded. Make sure to save documents in Rich Text

Format. Some alternative word processors are the one on [GoogleDocs](#) or the free word processor available at www.openoffice.org.

Blackboard - You are responsible for any materials that can be found in our Blackboard course.

Odessa College email - When I send messages and reminders, they will go to this email. You are responsible for any information sent to your OC email.

Powerpoint - You can open Powerpoints in Blackboard. Here is a link for a free Powerpoint Viewer:

<http://www.microsoft.com/downloads/details.aspx?familyid=048dc840-14e1-467d-8dca-19d2a8fd7485&displaylang=en>.

Adobe Reader - If you don't have this already, you can download the reader for free at <http://www.adobe.com/>.

Even if you do not own a computer, you do have access to computers and printers in the Student Success Center on campus. Not having computer or printer access is not a valid excuse for failing to complete assignments on time.

Classroom Behavior

I expect you to be respectful towards other students and myself during class and in any online interactions such as discussion forums or on email. I do want you to make comments, to ask questions, and to raise class concerns, and I will give you opportunities to do so. We will have periodic group and class discussions, and I expect you to be respectful toward your classmates at all times.

If you violate any aspect of the classroom behavior policy again after the warning, or if there is any case of very disruptive or disrespectful behavior, the same penalties will be given (counted absent, grades for the day forfeited), and I will consult the Dean of Arts and Science about further disciplinary action.

If you have questions or concerns regarding an issue that concerns the whole class, such as a question about assignment instructions, please ask. If you have questions or concerns regarding an issue that pertains only to you, such as a question about a grade on one of your papers, please discuss that with me during office hours or some other arranged time.

Attendance

Regular attendance is critical for your success in this class. If you are ill or have an emergency that causes you to miss class, please let me know the nature of your problem. Your attendance in an online course is determined by participation on discussion boards as well as the completion of daily assignments.

It is YOUR responsibility to get class material you have missed when you were absent. You may ask me or a classmate for the information.

Withdrawing from Class

June 29th is the last day you will be able to withdraw from a class with an automatic W. After that, you will receive the grade you currently have in the class. Remember, you can only have 6 Ws in for the duration of your undergraduate career.
