## Course Requirements (Lectures, Assignments and Assessments)

Acceptance of Late Assignments:

Projects or outside assignments are due at the beginning of class on the assigned due date. Missing assignments will not be accepted.

Missing an Exam:

Exams are defined as formally scheduled examinations covering a major portion of the course content and make up a 80 percent of the overall grade for a course. Every effort should be made by the student to be present for all exams. If it is necessary for a to miss an exam, the instructor must be notified and the exam must be taken on the next class day the student is present. 10 points will be taken off of the grade as a penalty for taking the examination late. The instructor has the option to give the same exam or to make up another examination over the same content. If the exam is not made up within the first class day an additional 10 points will be taken off for each day the exam is not taken (including Saturday and Sunday).

Quizzes:

Daily work will include quizzes. If the student misses a quiz due to being absent, the student will not have the option to make-up the quiz. Zeros will be recorded and averaged in the final grade.

## Grading Policy

---

1. A minimum grade of C is required In all nursing and allied health courses. Each component within a course must be completed with a C or above or the student will receive a failing grade. A student who fails to attain 75% on a unit examination must provide documentation of remediation by an approved tutor or student mentor. Arrangements must be made in conjunction with an instructor in the program.
2. A minimum grade of C must be maintained in the clinical area. This grade will be derived from the averages on nursing care plans, case studies, and all other written clinical assignments. Written work will be factored into the clinical nursing grade which is either 'Pass' or 'Fail.'
3. Any grade below 75% will be considered failing.
4. A report of grades will be distributed to each student at the completion of each semester.
5. A minimum grade of 90% is required on the math competency examination which is administered each semester. The student will have 3 opportunities to pass this examination. A student who does not successfully pass the examination on the first and second attempts will be required to show evidence of remediation with either an instructor or a student who has attained 95% or above on the examination. A student who is unable to pass the competency examination on the third opportunity will be dismissed from the program.

A = 90 to 100 B = 80 to 89 C = 75 to 79 D= 60 to 74 F = Below 60

Grading criteria are consistent throughout the nursing program at the Andrews campus. The following method of evaluation will be used in assigning course grades:

Tests and Quizzes.....	70%
Daily Work .....	20%
ATI content exams.....	10%
