CLASS ATTENDANCE POLICY

THIS IS NOT A SELF-PACED COURSE! This is a web-enhanced course with scheduled quizzes/assignments. Thus, you should use self-discipline to be efficient with this class, pay attention to the calendar, and take notes over the material.

It is expected that you log-on to the course every week. **You will receive an absence for each week that you do not access the course online and complete the Discussion Board. Your final grade will be dropped 1 letter grade after each consecutive 3 absences.** You should expect that each absence will adversely affect your course grade. The only excused absences that I will accept are college-sponsored activities and medical emergencies (must show proof). It is your responsibility to complete assignments by the scheduled date.

Assignments: This course will be web-enhanced through OC's BlackBoard (www.odessa.edu .) Material is presented primarily from readings assignments from the 11 chapters of the text. All assignments posted in the course are expected to be completed in Word document format and submitted in the assignment as an attachment. **Do not email assignments and exercise logs to my email address. All assignments must be submitted in BlackBoard.** This will allow for the student and instructor to see if the assignment was posted and for viewing of instructor comments.

Assessments: Mandatory attendance is required for this section of the course. Please look for the posted dates in BlackBoard and/or on the Physical & Health Education department website (<http://www.odessa.edu/dept/phed/>). **Your final grade will drop 1 letter grade for not attending a post-assessment scheduled by the instructor.**

Activity: You will *accumulate* a minimum of 168 points (or **42 hours**) of activity *throughout the semester by averaging a minimum of 3-4 hours per week. ONLY 1 hour per day will count towards your grade.*

Physical activity such as walking and jogging on a surface or a machine can be counted towards your activity points just as long as it exercise activity, not your daily physical requirements (jobs,

parenting, etc...) The Odessa College Sports Center is a fabulous facility to exercise (<http://www.wranglersports.com/fac-serv/facilities/>). I strongly encourage you to exercise at our facility. However, I do allow students to complete at other locations. All physical activity information must be recorded and turned in weekly.
