Department : Psychology & Sociology

Course Title : Lifespan Growth and Development

Section Name : PSYC_2314_WBW_WB9

Start Date : 06/4/12

End Date : 08/9/12

Modality : WEB

Credits : 3

Instructor Information

Name : Kelie Jones

OC Email : kjones@odessa.edu

OC Phone # : (432) 335-6308

OC Office location: Wilkerson Hall 233

Course Description

Present the growth and developmental stages of prenatal, birth, childhood, adolescence, young and middle adulthood, old age and death. Focuses on the influence of, and interaction between, biological/genetic factors (nature) and environmental/learned factors (nurture). Studies cognitive, physical, socioemotional and psychological development at all stages. Requires six hours of observation of a preschool child and a written case study. Also requires a special written project involving interaction with an adolescent and adult.

Prerequisites/Co requisites

None

Scans

SCANS 1, 2, 4, 6, 9

Course Objectives

- **Discuss the life-span perspective of development**
- **Identify the most important developmental processes and periods**
- **Describe three key developmental issues.**
- **Describe theories of life-span development.**
- **Explain how research on life-span development is conducted**
- **Discuss research challenges in life-span development**
- **Discuss the evolutionary perspective on development**
- **Describe what genes are and how they influence human development**
- **Characterize some of the ways that heredity and environment interact to produce individual differences in development**

- **Describe prenatal development.**
- **Discuss the birth process and the postpartum period**
- **Discuss physical growth and development in infancy**
- **Describe infants' motor development**

GRADING POLICY

Students will receive grades on submitted assignments within 7-14 days of the submission unless otherwise notified. Late work will not be accepted unless there is a documented medical/emergency excuse for the student or for an individual the student is responsible for. Step by step procedures on how to figure your grade as well as test and assignment schedule contained in the course calendar will be provided to each student. It may vary from semester to semester.

Grades
90-100%= A
89-89%= B
70-79%= C
60-69%= D
59% and below = F

Incomplete Policy: A grade of “Incomplete” may be given only if (1) the student has passed all work completed, and (2) he/she has completed a minimum of 75% of the required coursework. A grade of “I” will only be assigned when the conditions for completions have been discussed and agreed upon, and signed by the instructor and the student.

Academic Ethics: Your work is expected to be your own. Plagiarism and or collusion will not be tolerated. Please use proper citation when need. If unethical behavior is detected, all parties involved will be denied points for that project or exam. The questioned material and a report of the ethics violation will be submitted to the department chair for further action as deemed necessary

Note to students: Keep track of all deadlines. The instructor will help you as much as possible to successfully complete this course, however, if you believe that you will not be able to stay in this course or if you fall far behind in the course work, it is your responsibility to officially drop this course. If you do not, you will receive a F.

Special Needs: Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and

participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call the Office of Disability services at 432-335-6861 to request assistance and accommodations.

Learning Resource Center (Library): The Library, known as the [Learning Resources Center](#), provides research assistance via the [LRC's catalog \(print books, videos, e-books\)](#) and [databases \(journal and magazine articles\)](#). [Research guides](#) covering specific subject areas, [tutorials](#), and the "[Ask a Librarian](#)" service provide additional help.

Student success center: Need a tutor? Need help with study skills? Contact the Student Success Center at 432-335-MORE (6673) <http://www.odessa.edu/dept/ssc/>

Student E-mail: Please access your [Odessa College Student E-mail](#), by following the link to either set up or update your account: <http://www.odessa.edu/gmail/>. **All correspondence will be submitted using your Odessa College email.**

Technical Support: For Blackboard username and password help and for help accessing your online course availability and student email account contact the Student Success Center at 432-335-6878 or online at https://www.odessa.edu/dept/ssc/helpdesk_form.htm.

Important School Policies: For information regarding student support services, academic dishonesty, disciplinary actions, special accommodations, or students and instructors' right to academic freedom can be found in the [Odessa College Student Handbook](#).
