Examinations: You will have an hour to take each exam. In the **rare** instances, students encounter technical problems while taking on line exams (the most common problem being getting kicked out of the exam), the policy for this is as follows: contact me through one of the contact points provided in this syllabus and we will attempt to fix the problem. If getting “kicked off” the exam becomes a pattern, I will ask that you come to the OC to take your exams and you will not be allowed to use your book or any other notes. Also, do not use your cell phone to take the test. I have given you my phone numbers because I am not always on the internet. **If you do not hear from me within 30 minutes, call one of my numbers.** If you are taking you exam at a late hour do not call me, wait until morning and then call me. It is your responsibility to contact me before the test deadline. I reserve the right to determine if you have a valid reason for missing an exam!!! **I have provided my home phone number and an alternate number (do not call this number after 5:00 or on the weekend) so that you can contact me at all times. Call me on my cell phone as a last resort.** You can call me anytime as long as it is **after 9:00 a.m. and before 9:00 p.m.** I am not always on the internet, so it is important that you remember to contact me on my home phone or my cell number if I do not respond right away to your email. I try my best to respond as soon as possible but please make allowances for those times that I am out of pocket (i.e. out of town, etc.) It is **your responsibility** to contact me before the **deadline**.

Make-up Exams: If you are unable to take an exam during the assigned time period, you need to contact me as soon as possible (before the deadline to take the exam). Make-up exams will more than likely be complete essay exams. I reserve the right to decide if your reason for missing an exam is valid. If I decide your reason is invalid, you will not have a chance to make up the exam.
