Course Objective: This survey course in United States history is designed to provide the student with a working knowledge of the history of our nation. This knowledge should enable the student to become a better informed and participating citizen of the country. The class is designed to provide the student with the opportunity to earn college credit for a course in United States history when circumstances prevent the student from attending a more traditional Odessa College course.

Student Success Outcomes: Can be found on the Social Science Web Page.

Course Requirements:

1. Four (4) Exams

Deadlines for submission of the area listed above will be established by the instructor. All Exams will be taken on the Odessa College campus at a time and place arranged by the professor. If a student, without making prior arrangements with the professor, fails to take the unit examinations by the established deadline, the course grade of (F) is automatically given.

Grading: The student will have four (4) exams. I will then double the highest exam grade of each individual student. These points will be added together and divided by five (5), this will provide the student's course average. From the course average, I will determine the final grade.

Grading Scale: A 100-90; B 89-80; C 79-70; D 69-60; F 59-Below

Special Needs: Odessa College complies with section 504 of the 1973 Vocational Rehabilitation Act with the 1990 Americans with Disabilities Act. Issues with special needs will be referred to the Office of disability Services.
