**Textbook:**    **MyMath Lab Software:** all homework done with this software

**Technology:**

Students must have a valid e-mail address to register for computer software. The email address that you use to register your software will be the email address to which I will send any information or announcements. Please check this account regularly. It is recommended that you use your Odessa College email address. All work is done through the internet, so you need internet access. 2.2) **for all other students:** After Pre-Test work all assignments listed for the chapter; number of problems will depend on your level of mastery on Pre-Test

- Work "Lecture & Practice" assignments (familiarize with material)
- Do your homework. (This is located in the HOMEWORK button.)
- Do Post-Test at the end of each Chapter

3.) Do posts on Discussion Board

**Method of Evaluation:** Homework: 25%  
 Test: 40%  
 Final Exam: 25% and a score of a 50 or better  
 Discussion Board 10%

Percentage (%)	Grade
90-100	A

2. As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will
    - provide clear information about grading policies and assignment requirements in the course syllabus, and
    - communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

2. As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to
  - getting "kicked off" of the system during tests or quizzes;
