## Course Objectives

1. Locate explicit textual information, draw complex inferences and describe, analyze, and evaluate the information within and across multiple texts of varying lengths
  - Students locate explicit textual information in the stated main idea, supporting details, and patterns of organization modules of MyReadingLab.
  - Students draw complex inferences in the implied main idea and inference modules of MyReadingLab..
2. Comprehend and use vocabulary effectively in oral communication, reading, and writing
  - Students demonstrate comprehension of 300 new vocabulary words.
  - Instruction is differentiated based on initial placement assessment.
  - Students use context clues to learn the meaning of words (synonyms, antonyms, general context, and examples).
  - Students use dictionaries.
3. Describe, analyze, and evaluate information within and across a range of texts.
  - Students identify patterns of organization in texts of varying lengths and then describe which pattern of organization the author is using.
4. Identify and analyze the audience, purpose, and message across a variety of texts.
  - Students analyze the main idea of each paragraph in a text, then determine the author's central point.
5. Describe and apply insights gained from reading a variety of texts
  - In the culminating current event project, students
    - Submit a formal written paper analyzing a scholarly article 4 or more pages in length.
    - Demonstrate use of dictionary by defining 10 words they do not know.
    - Identify examples of 10 patterns of organization.
    - Outline or map the major points in the article.
    - Summarize the article's central point, thesis, or claim.
    - Write at least two paragraphs summarizing major ideas in the article.
    - Use at least 10 transition words in their writing.
    - Use at least 10 of the vocabulary words learned this semester in their writing.

If you have any difficulty with the registration process, you must first go to Pearson Tech Support at <http://247.pearsoned.com>. If they are unable to assist you, I will need you to send me the incident number from your case so I can escalate the issue for you.

## **Expectations for Engagement in READ 0371 WB**

To help make the web-based learning experience fulfilling and rewarding, the following Expectations for Engagement provide the parameters for reasonable engagement between students and instructors for the online learning environment. Students and instructors are welcome to exceed these requirements.

### **Reasonable Expectations of Engagement for Instructors**

1. As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will
  - provided my contact information at the beginning of the syllabus;
  - respond to all messages within 24 hours if received Monday through Thursday and within 48 hours if received Friday through Sunday; and,
  - notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of emergencies during the time I'm unavailable.
2. As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will
  - provide clear information about grading policies and assignment requirements in the course syllabus, and

- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.
3. As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will
- post grades for discussion postings within one week of the discussion thread closing.
  - provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

#### Reasonable Expectations of Engagement for Students

1. As a student, I understand that I am responsible for keeping up with the course. To help with this, I will
  - line up alternative computer and internet access in case my primary computer crashes or my internet services is unavailable;
  - recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and,
  - understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.
2. As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to
  - getting “kicked off” of the system during tests or quizzes;
  - having trouble submitting assignments; and
  - dealing with a traumatic personal event.
3. As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will
  - seek out help from my instructor and/or from tutors;
  - ask questions if I don’t understand; and,
  - access my course several times during the week to keep up with assignments and announcements.

#### Grading Policy

Grades will be weighted as described below:

Vocabulary tests	40% of the final grade
MyReadingLab	40% of the final grade
Discussion	10% of the final grade
Final exam	10% of the final grade

Percentage %	Grade
90-100	A
80-89	B
70-79	C
60-69	D
