COURSE DESCRIPTION: This course covers the principles and concepts of mental health, psychopathology, and treatment modalities related to the nursing care of patients and families suffering from mental disorders. (ICO 1, 2, 4, 5, 6).

END OF COURSE OUTCOMES: Uses therapeutic communications; utilizes critical thinking skills and a systematic problem-solving process as a framework for providing care to patients and families experiencing mental health problems.

COURSE OBJECTIVES: Course objectives utilize the framework of Differentiated Entry Level Competencies for Graduates of Texas Nursing Programs. At the completion of the course, according to the corresponding program outcome (PO), the student should be able to:

As Member of the Profession:

Participate in activities that promote the development and practice of professional nursing (PO 3). Demonstrate responsibility for continued competence in nursing practice, and develop insight through reflection, self-analysis, self-care, and lifelong learning (PO 4). Apply the five steps of a systematic process (for care and discharge planning), which includes assessment, analysis, planning, implementation and evaluation in utilizing, evidenced based practice, critical thinking, and decision making processes for the patient with a mental health alteration. (PO 1, 2, 3, 4).

As a Provider of Patient-Centered Care:

Use clinical reasoning and knowledge based on the associate degree nursing program of study and evidence-based practice outcomes as a basis for decision making in nursing practice (PO 5). Identify the physical and mental status, needs, and preferences of culturally, ethnically, and socially diverse patients and their families based upon interpretation of comprehensive health assessment findings compared with evidence-based health data derived from the associate degree nursing program of study (PO 6).

Evaluate data to identify problems, formulate goals/outcomes, and develop plans of care for patients and their families using information from evidence-based practice in collaboration with patients, their families, and the interdisciplinary health care team (PO 7).

As a Patient Safety Advocate:

Comply with mandatory reporting requirements of the Texas Nursing Practice Act (PO 13).

As a Member of the Health Care Team:

Describe resources that facilitate continuity of care; health promotion, maintenance, and restoration; and ensure confidentiality (PO 19).

TEACHING/LEARNING METHODS: The following methods may be incorporated into 2213: lecture/discussion, technological instructional modalities, role playing, assigned readings, peer interaction, small group discussions, written assignments, oral reports, and multimedia instructional programs quizzes.

EVALUATION AND GRADING: The grading policy for the Associate Degree Nursing Program will be followed. There will be several unit exams consisting of no more than 60 questions. The final exam will consist of approximately 60 - 100 questions. Questions may be multiple choice, matching or fill in the blank. No assignments/exams are optional. All work must be submitted in order to earn a grade in this course unless the student has made arrangements with the instructor to receive a grade of incomplete (I) or withdrawal (W).

Students will earn grades in RNSG 2213 according to the following grade distribution:

Weighting of Grades:

Unit Exams (3-4) 50%

Typed 3page Essay 5%

2 Practice ATI 2.5% Plus remediation

Pop quizzes 2.5%

Concept Map 2.5%

Daily Grade 2.5%

ATI proctored 10% Plus remediation  
Final Exam 25%  
TOTAL 100%

#### Grading Scale

A 90-100

B 80-89

C 75-79

D 60-74.99

F 59 or below

A final grade of C or higher must be attained in order to pass RNSG 2213. Grades are carried to two decimal places until the final grade that is rounded to the appropriate whole number. No grades will be rounded up to 75 to pass. (Example: 74.99 = D)

#### A.T.I. Policy

Students in Semesters one (1), two (2), and three (3) will take Practice Exams 1 and 2 relevant to each course. Students may take each practice exam twice (and only twice for a grade). The highest grade on each of the Practice Exams will be counted as a daily grade. Proctored exams will be given near the end of each semester in semesters one (1), two (2), and three (3) and Management.

**All students are required to remediate.** If a student score is:

**level 3:** receive 80 points plus 20 points for completion of remediation = 100 or an A.

**level 2:** receive 65 points plus 20 points for completion of remediation = 85 or an B

**level 1:** receive 55 points plus 20 points for completion of remediation = 75 or an C

**Below level 1:** receive 40 points plus 20 points for completion of remediation = 60 or D

#### Attendance Policy:

Students are expected to regularly attend classes. Each session is one class. The student **must sign in for confirmation of attendance**. Failure to do so will be recorded as an absence. The student is responsible for the course material presented during any absence from class. Instructors will keep records of attendance. Excessive absences and tardiness may contribute to being unsuccessful. Students are encouraged to be on time for each class. The door to the classroom will be closed 5 minutes after the appointed start time. If the classroom door is closed when the student arrives, he/she should knock on the door to enter. It is the student's responsibility to make arrangements for alternate testing should a major exam be missed. These arrangements must be made **in advance** if the student knows they are going to be absent on the day of testing. If a student has an unforeseeable absence, arrangements must be made with the instructor within 24 hours of the absence, in order for the exam to be made up. If arrangements are not made the grade will default to a "0". The same exam given to the class or the scheduled exam will not be used for the make-up exam. The instructor must be contacted **BEFORE THE TIME OF THE EXAM** and a time scheduled for the make-up exam. **YOU MUST LEAVE A MESSAGE IF THE INSTRUCTOR IS NOT IN.** You may notify me by phone at **432335-6333 office or 432 349-3052 cell**. If leaving a message please include your name and phone number or it may not be considered a valid notification. I will call you to discuss circumstances and make-up testing. Each student must give the instructor notification of when they plan to take the make-up exam.

Make-up examinations will be sent to the testing center. The make-up period for the exam will be up to 2 days after the exam is given. For example, if the test is given at 8am on Monday, you will have until 8am on the following Wednesday in which to make it up. You must arrive at least 2 hours before their closing time to take the test. It is your responsibility to know the testing center hours and comply with their schedule and rules. After this time period, if the test has not been made up, your grade for the test will be **ze ro**.

**Electronic Devices during an exam:** Mobile phones or any other communication device (e.g. pagers, iPods, MP3 players) must be turned off during class. Students who use mobile phones during class will be asked to leave class. Any use of mobile phones, recording devices, electronic readers, or scanning technologies or other communication device during an exam or quiz will result in a score of **ze ro (0)** for that exam.

### **Learning Resource Center (Library)**

The library, known as the Learning Resources Center, provides research assistance via the LRC's catalog (print books, videos, e-books) and databases (journal and magazine articles). Research guides covering specific subject areas, Tutorials, and the "Ask a Librarian" service provide additional help.

Please also, provide a copy to the instructor.

### Expectations for Engagement-Face to Face Learning

To help make the learning experience fulfilling and rewarding, the following Expectations for Engagement provide the parameters for reasonable engagement between students and instructors for the learning environment. Students and instructors are welcome to exceed these requirements.

### Reasonable Expectations of Engagement for Instructors:

1. As an instructor, I will communicate with my students in a timely and clear manner. In order to maintain sufficient communication, I will

- Provide my contact information.
- Respond to all messages in a timely manner through telephone, email or next classroom contact and notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of emergencies during the time I'm unavailable

2. As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- Provide clear information about grading policies and assignment requirements in the course, syllabus, and
- Communicate any changes to assignments and/or to the course calendar to students as quickly as possible

3. As an instructor, I understand that I need to provide regular timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- Return classroom activities and homework within one week of the due date and
- Provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

### Reasonable Expectations for Engagement for Students

1. As a student I understand that I am responsible for keeping up with the course. To help with this, I will

- Attend the course regularly and line up alternative transportation in case my primary means of transportation is unavailable;
- Recognize the college provides free Wi-Fi, computer labs and library resources during regular campus hours to help me with completing my assignments; and,

.Understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my persona. Computer equipment or internet service is unreliable.

2. As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to ,

- Missing class when a major test is planed or a major assignment is due
- Having trouble submitting assignments
- Dealing with a traumatic personal event:, and
- Having to work or childcare schedule changed so that my classroom attendance is affected.

3. As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will,

- Seek out help from my instructor and/or from tutors
- Ask questions if I don't understand and
- Attend class regularly to keep up with assignments and announcements.

If the instructor sees that a student may need extra help or success coaching, she may submit a Retention Alert or Starfish Alert to alert the Odessa College Student Success Coaches. The Student Success Coaches will help the student stay focused and on track to complete their educational goals.

## Course Calendar for 2213

All assigned reading for the week must be completed before class. Class time will be used for group activities that will require you to already be familiar with the material. Lecture will also be utilized. There will be a quiz at the beginning of every class period starting at 9:10am. The door will be closed and locked at 5 minutes after 9 am in order to take the quiz. Please wait until 9:30 am if you are not there before the door is closed and locked. You may enter the classroom at that time, once the quiz is completed. There will be no make-ups for any quiz missed. This rule goes for the whole semester.

Your study notes will be taken up at the beginning of each class period and returned at the end of each class period. If you take electronic notes, please email them the night before class is scheduled.
