

**ODESSA COLLEGE
VOCATIONAL NURSING PROGRAM
SYLLABUS**

COURSE TITLE: VNSG 1330: Introductory Maternal and Neonatal Nursing

CREDIT: 3 credit hours/64 contact hours (64 Lecture)

PLACEMENT: 2nd year/1st semester

PREREQUISITES: VNSG 1260, VNSG 1337, VNSG 1500, VNSG 1502, VNSG 1505

COREQUISITES: VNSG 1219, VNSG 1238, VNSG 1334

LICENSING/CERTIFICATION BOARD: TEXAS BOARD OF NURSING (BON)

FACULTY INFORMATION: TBA

Name: Eva (Angie) Lopez, R.N., B.S.N.

E-Mail: emailelopez@odessa.edu

Office Phone: 432-335-6472

Office FAX: 432-335-6873

Office Hours

Campus Office Hours: M-W-F 8:00am-11:00 am

COURSE DESCRIPTION:

A study of the biological, psychological, and sociological concepts applicable to basic needs of the family including childbearing and neonatal care. Topics include physiological changes related to pregnancy, fetal development, and nursing care of the family during labor and delivery and the puerperium. The student will discuss human reproduction and fetal development as related to the normal aspects of childbearing; identify common complications of the mother and newborn during prenatal, antenatal, and postnatal periods; and relate characteristics of the normal newborn and associated nursing interventions to meet identified health care needs utilizing the nursing process. Pharmacological concepts and nutritional considerations will be explored. Continue to focus on the role of a vocational nurse as a Member of a Profession, Provider of Patient-Centered Care, Patient Safety Advocate, and Member of the Health Care Team as related to the care and needs of the family including childbearing and neonatal care.

LEARNING OUTCOMES:

1. Assist with fetal heart monitoring for the antepartum client
2. Assist with monitoring a client in labor
3. Monitor recovery of stable postpartum client
4. Identify client emotional preparedness for pregnancy (e.g., support systems, perception of pregnancy)
5. Assist in performing client non-stress test

6. Perform care of postpartum client (e.g., perineal care, assistance with infant feeding)
7. Contribute to newborn plan of care
8. Reinforce client teaching on infant care skills (e.g., feeding, bathing, positioning)
9. Monitor recovery of stable postpartum client*
10. Monitor client ability to care for infant
11. Collect baseline physical data (e.g., skin integrity, or height and weight)*
12. Prepare client for physical examination (e.g., reinforce explanation of procedure, provide privacy and comfort)
13. Document findings according to agency/facility policies/procedures
14. Report client physical examination results to health care provider
15. Identify and report client deviations from expected growth and development
16. Identify occurrence of expected body image changes
17. Recognize barriers to communication or learning*
18. Compare client development to norms*
19. Assist client with expected life transition (e.g., attachment to newborn, parenting or retirement)*
20. Assist client to select age-appropriate activities
21. Provide care and resources for beginning of life and/or end of life issues and choices*
22. Determine client acceptance of expected body image change (e.g. pregnancy, menopause)
23. Provide assistance for screening examinations (e.g., breast, Pap tests)
24. Participate in a health screening or health promotion programs*
25. Monitor client actions to maintain health and prevent disease (e.g., smoking cessation, exercise, diet, stress management)
26. Monitor incorporation of healthy behaviors into lifestyle by client (e.g., screening examinations, immunizations, limiting risk taking behaviors)
27. Reinforce teaching with client about health risks and health promotion
28. Recognize client unexpected response to immunizations
29. Assist client to identify high risk behaviors
30. Provide information for prevention of high risk behaviors or lifestyle choices*
31. Reinforce client teaching related to client high risk behavior (e.g., unprotected sexual relations)
32. Identify contraindications to chosen contraceptive method (e.g., smoking, compliance, medical Conditions)
33. Identify client attitudes/perceptions on sexuality
34. Recognize client need/desire for contraception
35. Recognize expected outcomes for client family planning methods
36. Recognize client need to discuss sensitive issues related to sexuality
37. Support client in family planning
38. Respect client lifestyle choices (e.g., child-free, home schooling, rural or urban living)
39. Provide emotional support to client and family
40. Recognize risk factors for domestic, child and/or elder abuse/neglect and sexual abuse
41. Identify importance of client culture/ethnicity when planning/providing/monitoring care
42. Make adjustment to care with consideration of client spiritual or cultural beliefs*

REQUIRED TEXTBOOKS:

Leifer, G. (2012). Maternity nursing: an introductory text (11th ed.). St Louis, Missouri: Elsevier

TOPICS:

EVALUATION AND GRADING:

All course work is required. All aspect of course work must be submitted in order to successfully pass this course. Grading criteria are consistent throughout the nursing program. The following method of evaluation will be used in assigning course grades:

Letter Grade	Percentage
A	90-100
B	80-89
C	75-80
D	60-74
F	0-59

Content	Percent of Total Grade
Daily and Homework Assignments	5
Unit Exams	65
Comprehensive Final Exam	30
Total	100

Students must score an average of 75% on unit exams and comprehensive final exam to successfully complete the course.

COURSE POLICIES

Tobacco Free Policy

In accordance with Tobacco-Free Policies of area health care facilities, students are **NOT** allowed to consume tobacco during clinical experiences. Students are not allowed to leave the grounds of the health care facility to consume tobacco (or for any other reason).

Cell Phone Use at Clinical Agencies

In an effort to protect client confidentiality, students are not allowed to talk on cell phones or text in any patient care area. Students may use cell phones to access medical information related to patient care in the privacy of non-patient care areas, such as break rooms. Patients should not be discussed on cell phones or via text under any circumstances. Violation of this policy may be cause for dismissal from the nursing program. Pictures of any kind may **NOT** be taken in any health care facility by any device. Violation of this policy **WILL** result in dismissal from the program.

Digital Protocols

Attendance Policies

Repeated tardiness and absence has a negative effect on your ability to successfully complete all of the course requirements and could result in progressive discipline beginning with warning status and potentially ending in dismissal from the VNSG program. Please refer to Student Handbook regarding absenteeism and grade reduction.

AVID

This course has been identified as a course by Career, Technical, and Workforce Education as one in which teaching and learning strategies adopted by AVID (Advancement Via Individual Determination) will be implemented. *(Describe AVID Strategies used in your course)*

Grade/Progress Inquiries

It is the responsibility of the student to keep track of assignment submissions and grades. At any point, you are welcome to meet with the instructor to discuss your academic progress. Contact the instructor to schedule an appointment.

Incomplete Policy

An 'Incomplete' grade may be given only if:

1. The student has passed all completed work
2. If he/she has completed a minimum of 75% of the required coursework. A grade of an "I" will only be assigned when the conditions for completions have been discussed and agreed upon by the instructor and the student.
3. An Incomplete form is submitted

Odessa College's Core Objectives (COs):

1. Critical Thinking Skills - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. Communication Skills - to include effective development, interpretation and expression of ideas through written, oral and visual communication
3. Empirical and Quantitative Skills - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
4. Teamwork - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
5. Personal Responsibility - to include the ability to connect choices, actions and consequences to ethical decision-making
6. Social Responsibility - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

VNSG Core Objectives:

By the end of the program, the new graduate vocational nurse will demonstrate the ESSENTIAL COMPETENCIES OF GRADUATES OF TEXAS VOCATIONAL NURSING EDUCATIONAL PROGRAMS.

I. Member of the Profession:

- A. Function within the nurse's legal scope of practice and in accordance with the policies and procedures of the employing health care institution or practice setting.

- B. Assume responsibility and accountability for the quality of nursing care provided to patients and their families.
- C. Contribute to activities that promote the development and practice of vocational nursing.
- D. Demonstrate responsibility for continued competence in nursing practice, and develop insight through reflection, self-analysis, self-care, and lifelong learning.

II. Provider of Patient-Centered Care:

- A. Use clinical reasoning and established evidence-based policies as the basis for decision making in nursing practice.
- B. Assist in determining the physical and mental health status, needs, and preferences of culturally, ethnically, and socially diverse patients and their families based on interpretation of health-related data.
- C. Report data to assist in the identification of problems and formulation of goals/ outcomes and patient-centered plans of care in collaboration with patients, their families, and the interdisciplinary health care team.
- D. Provide safe, compassionate, basic nursing care to assigned patients with predictable health-care needs through a supervised, directed scope of practice.
- E. Implement aspects of the plan of care within legal, ethical, and regulatory parameters and in consideration of patient factors.
- F. Identify and report alterations in patient responses to therapeutic interventions in comparison to expected outcomes.
- G. Implement teaching plans for patients and their families with common health problems and well defined health learning needs.
- H. Assist in the coordination of human, information, and materiel resources in providing care for assigned patients and their families.

III. Patient Safety Advocate:

- A. Demonstrate knowledge of the Texas Nursing Practice Act and the Texas Board of Nursing Rules that emphasize safety, as well as all federal, state, and local government and accreditation organization safety requirements and standards.
- B. Implement measures to promote quality and a safe environment for patients, self, and others.
- C. Assist in the formulation of goals and outcomes to reduce patient risks.
- D. Obtain instruction, supervision, or training as needed when implementing nursing procedures or practices.
- E. Comply with mandatory reporting requirements of the Texas Nursing Practice Act.
- F. Accept and make assignments that take into consideration patient safety and organizational policy.

IV. Member of the Health Care Team:

- A. Communicate and collaborate with patients, their families, and the interdisciplinary health care team to assist in the planning, delivery, and coordination of patient-centered care to assigned patients.
- B. Participate as an advocate in activities that focus on improving the health care of patients and their families.
- C. Participate in the identification of patient needs for referral to resources that facilitate continuity of care, and ensure confidentiality.

- D. Communicate and collaborate in a timely manner with members of the interdisciplinary health care team to promote and maintain optimal health status of patients and their families.
- E. Communicate patient data using technology to support decision making to improve patient care.
- F. Assign nursing care to LVNs or unlicensed personnel based upon an analysis of patient or unit need.
- G. Supervise nursing care provided by others for whom the nurse is responsible.

INSTITUTIONAL POLICIES

(more information on these topics are available in your Blackboard Shell)

Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

Student Course Participation

As a student, I understand that I am responsible for keeping up with the course. To help with this, I will

- identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable;
- recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and,
- understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

- getting “kicked off” of the system during tests or quizzes;
- having trouble submitting assignments; and

- dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will

- seek out help from my instructor and/or from tutors;
- ask questions if I don't understand; and
- access my course several times during the week to keep up with assignments and announcements.

As a student, I understand that I will have the opportunity to provide feedback on my experience in this course through an end-of-course Student Evaluation of Instruction (SEI).

Academic Policies

Copies of the college due process procedure are available in the office of The Director of Student Life (CC104)."

For more information on your rights and responsibilities as a student at Odessa College, please refer to the following: *The 411 of OC: Student Handbook 2012-2013; Student Rights & Responsibilities* <http://www.odessa.edu/dept/studenthandbook/handbook.pdf>

Scholastic Dishonesty

Scholastic dishonesty shall constitute a violation of these rules and regulations and is punishable as prescribed by board policies. Scholastic dishonesty shall include, but not be limited to, cheating on a test, plagiarism and collusion.

"Cheating on a test" shall include:

- Copying from another student's test paper
- Using test materials not authorized by the person administering the test.
- Collaborating with or seeking aid from another student during a test without permission from the test administrator.
- Knowingly using, buying, selling, stealing or soliciting, in whole or in part, the contents of an unadministered test.
- The unauthorized transporting or removal, in whole or in part, of the contents of the unadministered test.
- Substituting for another student, or permitting another student to substitute for one's self, to take a test.
- Bribing another person to obtain an unadministered test or information about an unadministered test.
- "Plagiarism" shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means another's work and the unacknowledged submission or incorporation of it in one's own written work.
- "Collusion" shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. (Source: *Odessa College Student Handbook 2012-2013, page 29-30*)

Special Populations/Disability Services/Learning Assistance

Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call the Office of Disability services at 432-335-6861 to request assistance and accommodations. For information regarding services, students with disabilities should contact the Office of Disability Services in the OC Help Center located in Room 204 of the Student Union Building or call 432-335-6433. (Source: *Odessa College Catalog of Courses 2012-2013, page 52*)

Dropping a Course or Withdrawing from College

Students wishing to drop a course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office.

Learning Resource Center (LRC; Library)

The Library, known as the Learning Resources Center, provides research assistance via the LRC's catalog (print books, videos, e-books) and databases (journal and magazine articles). Research guides covering specific subject areas, tutorials, and the "Ask a Librarian " service provide additional help.

Student Success Center (SSC)

Located in the LRC, the Student Success Center (SSC) provides assistance to students in meeting their academic and career goals. Academic support services include tutoring, study skills training, workshops, and the mentoring program. Appointments are preferred, but walk-ins will be served as soon as possible. The center also offers special assistance to students preparing for the THEA/COMPASS test. Computer lab assistants are available to assist students with student email, Blackboard, OC portal, Course Compass and more. For more information or to make an appointment, please call 432-335-6673 or visit www.odessa.edu/dept/ssc/ (Source: *Odessa College Catalog of Courses 2012-2013, page 54*)

Student E-mail

Please access your Odessa College Student E-mail, by following the link to either set up or update your account: <http://www.odessa.edu/gmail/>. **Correspondence will be submitted using your Odessa College email as an alternative method to contact you with information regarding this course.**

Technical Support

For Blackboard username and password help and for help accessing your online course availability and student email account contact the Student Success Center at 432-335-6878 or online at https://www.odessa.edu/dept/ssc/helpdesk_form.htm.

This syllabus is tentative and subject to change in any part at the discretion of the instructor. Any changes will be in accordance with Odessa College policies. Students will be notified of changes, if any, in a timely manner.
