#### About Your Instructor :

Welcome! I am so excited to have you all in my online class! I have been a part of Odessa College for over 27 years now in the Continuing Education, Student Services, Office of Grantwriting, and the Psychology department. Currently I instruct online, and it has been my privilege over the years to teach courses at OC in Child Psychology, General Psychology, Human Sexuality and Psychology of Adjustment.

Prior to Odessa College I worked for the City of Odessa (city government) in land use, planning, and community development.

I hold a Bachelor's Degree in Cultural Anthropology with double minors in History and English Literature. My Master's Degree was much more practical, Clinical Psychology. Besides teaching for OC, I have been a full time professional staff member in five different positions over my 27 years prior to retiring from full time work in February of 2013. I found I truly missed the contact with students, and have loved

teaching a course each semester this year. I actually moved from Odessa to Boise, Idaho, where I am currently publishing a private magazine to a residential area, featuring information about the neighborhood and the neighbors and their social events. It is great fun but I dearly love the academic life and, as I said, contact with people who want to learn. My favorite courses in graduate school were Tests and Measurements, The Psychology of Personality, and Group Counseling. I completed a substantial practicum to obtain my degree, working as a graduate student counselor in the school's Center for Counseling. I must be a nerd, because I just love to give, score, and interpret psychological assessments like Intelligence tests or projective assessments like the Thematic Apperception Test.

Throughout the course I will supply you with as much information as I can possibly provide. You will find PowerPoints for every chapter that may help you structure your study time effectively.

I encourage you to email me if you have any direct questions. My ultimate goal is your success.

**Preferred Method of Communication:**

*Email is best! I am not on the campus so please feel free to email me often and as much as you would like! This will be our main mode of communication outside of the blogs in the courseroom. You can also reach me by calling me at 208.215.9283, between 9:30 am and 9 pm, Central Standard Time. I am in the Mountain Standard Time Zone. I am here to help you succeed! Anything that I can do to better serve you please let me know. Please keep in mind this is an accelerated course and we are under strict deadlines!*

*[mkunkel@odessa.edu](mailto:mkunkel@odessa.edu) is my email and always the best FIRST option to reach me.*

Martha Kunkel, Instructor

**Expectations for Engagement for Instructor:**

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment

- requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (COs), as defined by the Texas Higher Education Coordinating Board (THECB).
