Preferred Method of Communication:

You can reach me by phone or email, and I will respond within 24 hours, unless it's over the weekend.

Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

provide my contact information at the beginning of the syllabus;

respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,

notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

provide clear information about grading policies and assignment requirements in the course syllabus, and

communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

post grades for discussion postings within one week of the discussion thread closing.

provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

Course Policies

Disclaimer

This syllabus is tentative and subject to change in any part at the discretion of the instructor. Any changes will be in accordance with Odessa College policies. Students will be notified of changes, if any, in a timely manner.

Original Effort

The work submitted for this course must be original work prepared by the student enrolled in this course. Plagiarized work will receive a zero.

Course Policies

1. You should always keep a back-up and/or additional copy of all assignments submitted. Computers/printers are available to OC students in the LRC (301-303); therefore, not having access to a computer due to technical issues (crash; corrupted files) will not be considered as an acceptable reason for not completing assignments.
2. Attendance will be taken each class period, and if you come in late, it is your responsibility to make sure you're counted as present.
3. If you miss class, it is your responsibility to find out what you missed and be prepared for the next class period.
4. General late work policy: One day late = -5; Up through one week late = -10; More than one week late = no higher than 55 point, assuming the assignment is complete.
5. Work done in class cannot be made up; if absent, student receives a zero for that assignment.
6. Unless otherwise noted, all work must be submitted as a file attachment in Blackboard to receive full credit. Please do not email your work to me. I will deduct points.
7. Medical and/or family circumstances that warrant an extension on assignments need to be presented to the instructor with appropriate documentation. Extensions will be allowed at the instructor's discretion only.
8. Any student missing the final exam normally receives a zero for the exam grade. Because of the weight of that grade, this usually causes the student to fail the entire course.
9. No work of any sort is accepted after the end of the semester, except in the case of formal Incompletes.

Tips for Success

1. You should expect to spend approximately two hours outside of class for every one hour in class. If you are spending less time than that on your work for this class, then you should expect to struggle.
2. When you are absent, it is your responsibility to find out what you missed and come to class prepared.
3. If you receive a bad grade on an assignment, you should schedule an appointment with me during my office hours to discuss how you can improve on the next assignment.
4. Be proactive. Your success in this class is your responsibility.

Grade Inquiry

It is the responsibility of the student to keep track of assignment submissions and grades. At any point, you are welcome to meet with the instructor to discuss your academic progress. Contact the instructor to schedule an appointment.

Incomplete Policy

An 'Incomplete' grade may be given only if:

- The student has passed all completed work;
- If he/she has completed a minimum of 75% of the required coursework. A grade of an “I” will only be assigned when the conditions for completions have been discussed and agreed upon by the instructor and the student.
- An Incomplete form is submitted

Disabilities may include hearing, mobility or visual impairments as well as hidden disabilities such as chronic medical conditions (arthritis, cancer, diabetes, heart disease, kidney disorders, lupus, seizure disorders, etc.), learning disabilities or psychiatric or emotional disabilities. Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar’s Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar’s Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student’s orders must be presented to the Registrar’s Office at the time of the withdrawal. For details, please contact the Office of the Registrar. No longer attending class does not automatically constitute withdrawal from that class, nor does a student’s notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of “F.” (Source: Odessa College Catalog of Courses 2012-2013, page 36)
