### Office Hours

#### Online Office Hours:

I no longer live in Odessa, but I teach this course online. The best way to reach me is to email me at [chenegar@odessa.edu](mailto:chenegar@odessa.edu).

### About Your Instructor

*After teaching the last five years full-time at Odessa College, I recently decided to move back home to be near family in the panhandle of Texas. Therefore, as of August 1, 2014 I no longer live here, but I still teach a few courses online for OC. I have taught a variety of English courses in both colleges and universities across Texas and New Mexico over the past 19 years. I look forward to meeting you in my class this semester. Feel free to ask me any questions concerning the course that you may have. Since I am only an online instructor for OC and since I also teach courses at the university in Plainview, your best contact method will be through email. Let me hear from you soon.*

### Preferred Method of Communication:

*The best way to reach me is via email. I normally check email/this course between other courses where I teach at a university. I do my best to respond within 24 hours during week days and 48 hours on weekends or holidays. Due to my work schedule I really do not have a phone where you can reach me quicker than the email. If you have a dire emergency and need to speak with me, email me a phone number with the best time to reach you, and I'll contact you.*

### Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

## ENGL 2341. W92 C Course Syllabus Fall 2014

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.
