After 6 absences you must do make-up time. This course is a 16 week course designed for students who are in their last semester and preparing for their State Exam, you are required to attend class Monday-Thurs. from 8:00am-5:00pm. Lecture and Lab schedule will be provided. Friday's will be available for make-up time to be announced by your instructor if needed. Make-up time will only be for excused absences.

I. ADDITIONAL INFORMATION

Regular, punctual attendance is required for all classes in the Cosmetology program. The Cosmetology faculty believes that attendance and punctuality is required at every session of each course for which the student is enrolled. Therefore, you **MUST** be present at your assigned time. An attendance policy is included in every course syllabus. When unavoidable circumstances make attendance impossible, students must provide a satisfactory explanation of their absences to their instructor verbally and in writing. Unavoidable circumstances are considered but not limited to: accidents, death, and hospitalization of immediate family members and court ordered subpoenas.

As an Odessa College Cosmetology student, you will be expected to maintain a minimum of 90% attendance for the semester. You will be dropped from the program if you are absent for more than 6 days (48 hours) this semester.

A "tardy" will be defined as:

- missing a total of ½ day (4 hours in total).
- Two (2) tardies will equal 1(one) full absence.

When a Cosmetology student is absent, he/she will receive a recorded absence, against the 90% attendance requirement.

If you are not present for roll call you will be counted absent on your professionalism grade.

Clinic experiences are a vital component of the Cosmetology, Clinic absences are not acceptable. If the student is absent the clinic instructor must be personally notified at least one hour prior to the start of each day.

Make up lab times are made available to the student who has fallen below the 90 % attendance policy (more than 6 absence). This time is required to be made up before the end of the semester. These make up times will be announced throughout the semester and will be either on or off campus.

If a student completes the credits but does not maintain the 90 % attendance with extreme absences and no make up time completed, will have to return the following semester to complete the missed time, by taking a continuing ed course. The credit completion will not be turned into Texas Department of Licensing and Regulation until the TDLR attendance requirements are met.

Description of Core Objectives (CO's)

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Therefore, with the assistance of the Undergraduate Education Advisory Committee, the Coordinating Board has approved guidelines for a core curriculum for all undergraduate students in Texas.

Through the application and assessment of objectives within the institution's core curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world; develop principles of personal and social responsibility for living in a diverse world; and advance intellectual and practical skills that are essential for all learning. Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (COs), as defined by the Texas Higher Education Coordinating Board (THECB). (Source: *Odessa College Catalog of Courses 2012-2013, page 73*)

Odessa College's Core Objectives (COs):

1. *Critical Thinking Skills* - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. *Communication Skills* - to include effective development, interpretation and expression of ideas through written, oral and visual communication

3. *Empirical and Quantitative Skills* - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions

The following table details how this course’s STUDENT LEARNING OUTCOMES (SLOs) align with COs.

Directions for Instructor:

1. *In the left-hand column, list specific SLOs that indicate what students will be able to do at the end of the course. You may reference the number from the Learning Outcomes listed in the Course Learning Outcomes list under the Course Description.*
2. *Determine, as appropriate, how your SLOs align with the CO’s that are listed in the right-hand column. NOTE: A course may not incorporate all 6 COs. Every course should include an SLO that aligns with “critical thinking” and “communication” skills. Every Core course has assigned CO’s indicated in the chart above that should correlate to SLO’s here.*

Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. **No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of "F."** (Source: *Odessa College Catalog of Courses 2012-2013, page 36*)
