Student Course Participation

As a student, I understand that I am responsible for keeping up with the course. To help with this, I will

- identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable;
- recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and,
- understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

- getting “kicked off” of the system during tests or quizzes;
- having trouble submitting assignments; and
- dealing with a traumatic personal event.

#### Disclaimer

This syllabus is tentative and subject to change in any part at the discretion of the instructor. Any changes will be in accordance with Odessa College policies. Students will be notified of changes, if any, in a timely manner.

#### Original Effort

The work submitted for this course must be original work prepared by the student enrolled in this course.

#### Course Policies

1. Students are expected to attend class regularly; attendance will be recorded daily. Absences will affect a student's participation grade, and are never an excuse for coming unprepared to the next class. *You should contact me or a classmate to learn what was missed and what may have been assigned.* Any assignment done during class time (example: pop reading quizzes) cannot be made up, and absent students earn zeroes on such grades. Extreme late arrival, leaving early without permission, or extended and/or frequent comings and goings may count as absences.
2. Cell phones must be placed on either *vibrate* or *silent* mode and are not to be abused. Abuse includes (a) disruption of class; (b) distraction of the person using the phone; (c) breach of security during tests or quizzes. Phones should only be rarely used for non-course related matters, not routinely (this includes texting), and under no circumstances may

a call be taken during class; emergency calls may be taken in the hallway. Phones must be put away entirely during tests.

3. The use of laptops or any other digital device is permitted in order to facilitate note-taking relative to instruction. You should always keep a back-up and/or additional copy of all assignments submitted. Computers/printers are available to OC students in the LRC (301-303); therefore, not having access to a computer due to technical issues (crash; corrupted files) will not be considered as an acceptable reason for not completing assignments.

#### Late Work

1. As noted under Attendance, daily work which depends on timeliness to be effective (such as a pop reading quiz), but missed due to absence, earns a zero. I drop the lowest daily grade, and in most semesters will offer one extra credit opportunity to replace a low daily grade.
2. Absence does not extend due dates! My policy is that assignments may be turned in one calendar day (not one class day) late with no penalty; after one day, there is a ten point late penalty.
3. Medical and/or family circumstances that warrant an extension on assignments need to be presented to the instructor. Extensions will be allowed at the instructor's discretion only.
4. Major tests missed must be taken within one week in the Testing Center, after which the grade becomes a zero. The penalty for taking the test later than the day given is ten points. Major essays/papers may still be submitted after one week, but will normally receive no higher than an F (or lower, if incomplete).
5. Most daily work which is assigned to be completed outside of class (as opposed to reading quizzes, etc.) will not be accepted after one week and in any case is subject to the ten-point late penalty after one extra day.
6. Any student missing the final exam normally receives a zero for the exam grade. Because of the weight of that grade, this usually causes the student to fail the entire course.
7. No work of any sort is accepted after the end of the semester, except in the case of formal Incompletes.

#### Tips for Success

1. You should expect to spend approximately two hours outside of class for every one hour in class. If you are spending less time than that on your work for this class, then you should expect to struggle.
2. When you are absent, it is your responsibility to find out what you missed and come to class prepared.
3. If you receive a bad grade on an assignment, you should schedule an appointment with me during my office hours to discuss how you can improve on the next assignment.
4. You will do a significant amount of work for this class outside of class. Therefore, each time you finish working on an assignment, you should email the assignment to yourself as a file attachment so that no matter where you are, you have a copy of it.
5. Be proactive. Your success in this class is your responsibility.

#### Grade Inquiry

## English 1302 W90C

It is the responsibility of the student to keep track of assignment submissions and grades. At any point, you are welcome to meet with the instructor to discuss your academic progress. Contact the instructor to schedule an appointment.

### General Course Requirements

1. Attend class and participate.
2. Contribute and cooperate with civility.
3. Submit assignments on time. Students may turn in work 24 hours after the due date without penalty. After that, the assignment will lose ten points up to one week after its due date. Daily work turned in more than one week late receives a zero. The major essays turned in more than one week late will receive no higher than 55 points, and only that if the assignment is complete.

### Incomplete Policy

An 'Incomplete' grade may be given only if:

1. The student has passed all completed work
2. If he/she has completed a minimum of 75% of the required coursework. A grade of an "I" will only be assigned when the conditions for completions have been discussed and agreed upon by the instructor and the student.
3. An Incomplete form is submitted

Description of Core Objectives (CO's)

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Therefore, with the assistance of the Undergraduate Education Advisory Committee, the Coordinating Board has approved guidelines for a core curriculum for all undergraduate students in Texas.

Through the application and assessment of objectives within the institution's core curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world; develop principles of personal and social responsibility for living in a diverse world; and advance intellectual and practical skills that are essential for all learning. Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (COs), as defined by the Texas Higher Education Coordinating Board (THECB). (Source: *Odessa College Catalog of Courses 2012-2013, page 73*)

The following table details how this course’s STUDENT LEARNING OUTCOMES (SLOs) align with COs.

Every course should include an SLO that aligns with “critical thinking” and “communication” skills. Every Core course has assigned CO’s indicated in the chart above that should correlate to SLO’s here.*

#### Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's

Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of "F." (Source: *Odessa College Catalog of Courses 2012-2013, page 36*)
