About Your Instructor:

I hold an MA in Communications from Wichita State University. My BA is in Psychology with a minor in English. I am in the process of selecting a PhD program to pursue my interests in Communication Studies further. I am also a certified teacher and have taught Speech and Theatre Arts at the High School level. I am passionate about the field of Communications and about teaching. I have been teaching for about 14 years. I am also a single mother raising two boys who keep me hopping but I love being a mother. I really enjoy fine arts especially independent film, musical theatre and dance. I am a member of the Midland/Odessa Symphony Chorale and I volunteer with Midland Children's Rehabilitation Center and SHARE of Midland and Odessa.

Preferred Method of Communication:

The best and quickest way to connect with me is via text message on the student hotline listed above. I am a single mother of young children. I can almost always reply fairly quickly to a text message even when there is chaos going on with them. I also get up very early and often am up at random times with them. Please text me at any time day or night. I turn my hotline alerts off when I am unavailable or sleeping so you are never intruding or bothering me. If I am awake and available I will respond to your texts ASAP. In general, please allow 24 hours for a reply (48 hours on the weekends) but I generally check text messages several times per day. You may also email me at my OC account. jramsey@odessa.edu.

If you need to leave a message for me by phone (do this as a last option as it is not always a fast) please use the voice mail (it is automated) on the student hotline. FOR A WINTERMESTER and SUMMER STUDENTS do NOT use my office voice mail. I am not going to be on campus very often during breaks and it could take several days to respond.

When I send out important information and updates, it will be via your OC Email account. Please make sure you know how to access this account right away and can log in. You will not necessarily

get an email from me every day but I want you to check your email at least once a day. Otherwise you may miss very timely and important information. Textbook Information and Required Hardware/Software

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life.
