Final Exam	25.00%
	100%

Grading Policy:

Please understand that this is a required course for your program. Quality work and active participation is expected and not to be negotiated. As a general policy, grades will be taken in class. Any written assignments or tests will be graded outside of class. You can expect feedback on assignments within a week’s time.

Homework: Homework will be assigned daily. It will be collected (due) two school days after it is assigned. Each assignment will be worth 10 points. I will choose two problems from the set and grade them each on a three point scale, and give up to four points for completion. Please write your name, the number of the assignment (check Blackboard if you're not sure), and the sections and problem numbers from the text. All of this information will be available on Blackboard.

Quizzes: We will have quizzes every other day or so. They will be very much like your

homework. They will be graded on a ten point scale. Please pay attention to the comments on your quizzes, as they indicate what I think is important and the areas in which you could use improvement.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

4. getting “kicked off” of the system during tests or quizzes;
5. having trouble submitting assignments; and
6. dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will

7. seek out help from my instructor and/or from tutors;
8. ask questions if I don't understand; and
9. access my course several times during the week to keep up with assignments and announcements.

As a student, I understand that I will have the opportunity to provide feedback on my experience in this course through an end-of-course Student Evaluation of Instruction (SEI).

Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. **No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of "F."** (Source: *Odessa College Catalog of Courses 2012-2013, page 36*)
