### About Your Instructor

Hello to all,

Since I don't get to see most of you face-to-face, let me tell you a little about myself. I'm an Assistant Professor of both Government and History at Odessa College. I've been with the institution since 1993 (as an adjunct) and full-time since 1996.

I have a BA in Telecommunications from Texas Tech University (1977) along with an MA in History from UTPB (1991) and another MA in Political Science from Sul Ross State University (2000). I don't have a doctorate, so address me simply as Mr. Findley.

I have two grown children. My oldest, Jessica, is a graduate of Permian High School and Texas State University in San Marcos (BA and MSW). She is married and currently lives with her husband in Pflugerville while working in Round Rock.

My youngest, Robert, is also a Permian grad and is currently working as a grounds "specialist" here at OC ... and as a former member, he has assisted occasionally with the OC X-C team.

As you might guess, I like both history and politics. I also enjoy movies (*Valkyrie*, *Gran Torino*, *The Hangover Trilogy*, *The Iron Man Trilogy*, *True Grit*, *Rise of the Planet of the Apes*, *Despicable Me (1 & 2)*, *Dr. Strangelove*, *The (original) Manchurian Candidate*, *Full Metal Jacket*, *A Clockwork Orange*, *Monty Python and the Holy Grail*, *American Hustle*, *The Hunger Games*, both of *The 300* movies (among others), the History Channel(s), HBO, music, handball, and (most of the time ;o) Texas Tech athletics.

Folks, I am here to help. Contact me with your your questions and/or concerns asap. That's why I do this for a living. Let's have a good session.

**Preferred Method of Communication:**

During the summer sessions, the preferred method of communication is via e-mail (gfindley@odessa.edu) or my home phone (432-362-7713).

If you miss me, leave a message and I will get back to you as soon as I can.

**Expectations for Engagement for Instructor:**

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

## Information About the Course

---

### Course Description

Origin and development of the Texas constitution, structure and powers of state and local government, federalism and inter-governmental relations, political participation, the election process, public policy, and the political culture of Texas.

### Course Objective

Since 1929, the Texas state legislature required that public college and university students complete six semester-hours in American national, state, and local government. The survey course in national government is designed not only to meet that requirement but also to provide you with the basic knowledge and understanding of government activity at the federal level. This course should also give you a better understanding of certain germane disciplines such as history, sociology, philosophy, literature, and economics while preparing you for careers in teaching, public service and the law. You may also benefit from taking a course such as this by not only learning how government affects your life but how you can affect public policy.

### Course Student Learning Outcomes

Upon successful completion of this course, students will be able to:

1. Explain the origin and development of the Texas constitution.
2. Demonstrate an understanding of state and local political systems and their relationship with the federal government.
3. Describe separation of powers and checks and balances in both theory and practice in Texas.

4. Demonstrate knowledge of the legislative, executive, and judicial branches of Texas government.
5. Evaluate the role of public opinion, interest groups, and political parties in Texas.
6. Analyze the state and local election process.
7. Describe the rights and responsibilities of citizens
8. Analyze issues, policies, and political culture of Texas.

### Course Prerequisites:

Pass reading on TSIA.

### Course Topics:

- Unit I: Power
- Unit II: Politics
- Unit III: Policy
- Unit IV: Local Government

## Grading

---

<i>Type of Assignment</i>	<i>Percentage/Points</i>
<b>Quizzes (12)</b>	30 pts each
<b>Assignments (4)</b>	30 pts each
<b>Exams (4)</b>	105 pts each

Semester averages will be arrived at by dividing the total number of points scored by the maximum number of points available (not attempted).

e.g. – 760 pts scored divided by 920 possible points = .83 or a B

### Grading Scale:

- “A” = 90-100
- “B” = 80-89
- “C” = 70-79
- “D” = 60-69
- “F” = 0-59

- understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

**As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to**

- getting “kicked off” of the system during tests or quizzes;
- having trouble submitting assignments; and
- dealing with a traumatic personal event.

**As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will**
