About Your Instructor

I am an Instructor in the Communication Department and, along with Jennifer Ramsey, I teach most of our Mass Communication classes. I am new to Odessa College and arrived in August of 2015. Prior to that, I was an Assistant Professor of Digital Communication at the American University of Ras Al Khaimah in the United Arab Emirates and was a Lecturer in the School of Cultural Creativity at Zhejiang University of Media and Communications in Hangzhou, China.

I hold an MFA in Integrated Media Arts from the City University of New York, Hunter College, where I was an Adjunct Assistant Professor. Also, I was an Adjunct Assistant Professor at Manhattanville College in Purchase, NY.

While in New York City, I worked for Emmy award-winning documentarian, Ric Burns, and directed and produced two feature length documentary videos: *The Tartan Apple: the Scots in New York City* and *Nine by Five*. I enjoy international travel. My web site is mediaghillie.com

Preferred Method of Communication:

Please use the official Odessa College email to communicate with me. Also, you can text me on my cell phone or leave a voice mail on my cell phone.

Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. **No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped.
