About Your Instructor

My name is Sandie Graves and I will be your instructor this semester. I am excited about starting another school year and am really glad that you have enrolled in this class. I graduated from The University of Texas at Austin. I have been teaching at OC for 17 years and have taught online classes for 15 years.

The main benefit experienced by those taking an online course is the flexibility of not having to go to a scheduled class. This gives you, the student the freedom to interact with the course materials according to your **OWN weekly schedule**. The policies and procedures in this course may seem quite rigid, but I assure you they are in place to assist you. I am committed to your success and to helping you in any way that I can.

I believe the most critical elements to your success in this course is committing yourself to the following:

being organized or becoming organized, if you have never been organized;
staying on pace by meeting each deadline or submitting work early;
completing every assignment - including readings and viewings of multimedia

presentations;
building/maintaining connections with other students; and
participating in the course at least five of every seven days with no two consecutive days away from the course website/materials/email.

Now is the time... Make these commitments with me and let's enjoy the journey!

Preferred Method of Communication:

The best way to communicate with me is by phone (432) 556-6664 or via email sgraves@odessa.edu. I will also be available on Skype (sgravesoc1) or FaceTime during office hours. Check in Blackboard regularly for announcements, including any changes in the course schedule. Check your OC email account everyday! All course announcements will be sent to your OC account and will not be sent to your personal email account. Appointments with the instructor may also be scheduled.

Email is the best way to contact me: sgraves@odessa.edu

Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. **No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal**

process will result in a grade of “F.” (Source: *Odessa College Catalog of Courses 2013-2014*, page 39)
