### About Your Instructor

*Welcome to my course! My name is Mystic Jordan and I will be your instructor for the semester. To give you a little idea who I am and where I have been in my life and career I will share my background, education and experience in Higher Education with yall. I was born and raised In New York. I was the first person in my family to ever utter the words college, so for me going to college was a choice I made for myself. I went to a local community college and quickly fell in love with the world of Psychology. I graduated with my Associates 2 years later in Human Services / Social Work. I was then given a scholarship and attended Canisius College in Buffalo, NY (*

*The only place ive ever lived where it would thunder and lightning at the same time it was SNOWING). I was a part of 3 Psychological research teams my Junior year (all 3 which were later published).*

*I married my husband the year I earned my BA and began my Masters in Buffalo in Psychology. We welcomed 2 daughters and a son the years after I finished my Masters and began my PhD. I began my work history while as a graduate student doing Social Work to some inner city areas of NY. I later became a Psychologist at a Deaf School in NY and represented the State Department of Education in NY as an advocate for those with disabilities. I started my first teaching gig as a Professor at the college I began attending way back when. To keep up with demand I went and became a Professor at 3 other Universities in NY before settling down here, in Texas in 2012. I've taught all types of Psychology and Sociology courses in my 8 years of instruction.*

*\*What do I do at OC? That's a tricky question! I have multiple hats but enjoy each of them. First I am a Associate Professor II in the Psychology world. I teach General Psychology, Social Psychology, Child Psychology, Lifespan Psychology and Human Sexuality . I instruct face to face, hybrid, evening, weekend, morning, afternoon, full web and Dual Credit.*

*My second hat is as the Department Chair of Social and Behavioral Sciences. I help oversee our instructors in Psychology, Sociology, Substance Abuse Counseling, History, Government, Economics, Geography and Philosophy!*

*I truly LOVE teaching. It is and will always be my first love as I've lived as a Psychologist for half of my lifetime. I am hoping you all enjoy our discussions and stories that we share during our time together in class (web). Feel free to stop by my office to say hello or send me an email!*

*Prof Jordan*

*myjordan@odessa.edu*

**Preferred Method of Communication:**

*I encourage email communication for web students if you are away at a distance. Please remember that my email has the FIRST TWO letters of my name as Mark Jordan in the English department tends to get many of my emails. If you are on campus feel free to stop by and say hello!*

*\*\*\*When emailing me remember to state what class you are in specifically. All too often I get an email that says "Hey, I'm in your psychology class", and the student*

*doesn't realize I typically teach 5-8 sections per 8 week term ( 10-14 courses over the 16 weeks semesters). In order for me to give you effective information let me know who you are and what course you are in.*

*My email is MYJORDAN@ODESSA.EDU*

*NOT MJORDAN@ODESSA.edu <---- Thats Mark*

*Jordan in English!*

### **Expectations for Engagement for Instructor:**

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- Notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- Communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks **of the due date** or at least 3 days before the next major assignment is due, whichever comes first.

# General Education - Core Objectives (COs)

*(Note to course instructor: Delete this entire section if this course is not part of the Core Curriculum or General Education courses.)*

## **Description of Core Objectives (CO's)**

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Therefore, with the assistance of the Undergraduate Education Advisory Committee, the Coordinating Board has approved guidelines for a core curriculum for all undergraduate students in Texas.

Through the application and assessment of objectives within the institution's core curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world; develop principles of personal and social responsibility for living in a diverse world; and advance intellectual and practical skills that are essential for all learning. Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (COs), as defined by the Texas Higher Education Coordinating Board (THECB). (Source: *Odessa College Catalog of Courses 2012-2013, page 73*)

6. *Social Responsibility* - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

## **Discipline Core Statement**

PSYC 2306 meets the Social and Behavioral Science component area because they utilize the scientific method to study and explain human behavior. All courses include instruction of the scientific method,

empirical data analyses and relevant theoretical and conceptual application. All courses require students to critically analyze the impact of society and culture on many aspects of human behavior, and require students to illustrate their understanding of course content using written and/or verbal communication skills. Students also explore social issues, their consequences for society and the world, and their own values, actions and responsibilities surrounding these issues.
