Online Office Hours	N/A

About Your Instructor

Welcome!!! I am excited to get to know all of you. Here is a little bit of information about me. I started my nursing career as a maternal-child nurse and stayed in that area of nursing since then. I graduated nursing school from Angelo State University in 2011. Right after graduation, I began the RN-MSN program at ASU and graduated in 2013 with my BSN and MSN in Nursing Education. I love being a nurse and I love teaching others, so nursing education gives me the best of both worlds!! I have some teaching experience, but primarily in online courses for nursing students. I am most excited about an "in classroom" course because it will give me a chance to interact more with my students.

I live here in Andrews. I have a daughter named Brooke who is the light of my life. I love to ski and go camping. Most of all, I like to spend time with all of my family.

I am passionate about nursing. It is truly an honor to care for others and make a difference in their life. I had wonderful nursing instructors as a nursing student. They mentored me and provided me with a positive nursing school experience. Their passion for nursing and teaching were contagious. They are my role models for what I strive to be as a nurse and instructor. My goal as your instructor is to be the same mentor to all of you and to provide

you with the same nursing school experience that I was fortunate to have.

I look forward to working with all of you as you venture into the world of nursing! :)

Preferred Method of Communication:

For non-emergent issues that do not require a quick response, please email me at the email address provided above. If you need to talk to me, please call my office during office hours. If it is after office hours, you may call/text me on my cell only if it pertains to missing clinicals/lecture or if it is regarding an emergency.

I will gladly meet with you in person if you would like. You may visit me during my office hours. If possible, please try to schedule a time with me so that I can ensure that there are no distractions during our meeting.

I strongly encourage you to contact me if you have any concerns or problems. I am here to help you.

Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Saturdays. I am not online Sundays;
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or for my supervisor) in case of during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for assignments within 2 weeks of the due date.

Textbook Information and Required Hardware/Software

Textbook(s):

Burton A. (2011). *Fundamentals of nursing care concepts, connections and skills*. F.A. Davis, Philadelphia PA.

ISBN: 978-0803619708

Burton A. (2011). *Study guide for fundamentals of nursing care concepts, connections and skills*. F.A. Davis, Philadelphia PA.

ISBN: 978-0803622036

Kurzen, C. (2012). *Contemporary practical/vocational nursing*. Lippincott Williams & Wilkins. Philadelphia, PA.

ISBN: 9781609136925

Fundamentals for nursing Edition 9.0 ATI Content Mastery Series

Hardware:

Computer access and internet access will be required outside of class. Speaker and or headphones will also be required to listen to videos and on-line lectures.

Software:

NCLEX-PN 5,000 powered by Prep-U 2 year access

Computer Browsers:

- Mac users should use Firefox
- PC users may use any browser except IE10

Websites:

You will access course materials for this course by logging into **Blackboard** at <https://blackboard.odessa.edu/webapps/login/>.

Students, if you have problems logging onto Blackboard, please call the Student Success Center at 335-6673 for assistance.

Information About the Course

Course Description:

Introduction to an application of primary nursing skills. Emphasis on utilization of the nursing process and related scientific principles.

Course Corequisites:

VNSG 1227 Essentials of Medication Administration; VNSG 1160 Introductory Clinical Nursing; VNSG 1405 Health Sciences; VNSG 1400 Nursing in Health and Illness I.

Course Topics:

Unit 1	Leadership and Professional Development Chapters 1-4; Nursing Fundamentals Chapter 17
Unit 2	Nursing Fundamentals Chapter 4,5 and 13
Unit 3	Nursing Fundamentals Chapter 14,15, and 16
Unit 4	Nursing Fundamentals Chapter 18,19, 20, and 21
Unit 5	Nursing Fundamentals Chapter 22, 23, 24, and 25
Unit 6	Nursing Fundamentals Chapter 26, 27, and 28
Unit 7	Nursing Fundamentals Chapter 30, 31, and 33
Unit 8	Nursing Fundamentals Chapter 34, 35, and 36
Unit 9	Nursing Fundamentals Chapter 37 and 38

Grading

<i>Type of Assignment</i>	<i>Percentage/Points</i>	<i>Learning Objective</i>
Exams	65%	<p>All unit exams are scheduled prior to the beginning of the course. Unit exam category can include exams over lecture content, assigned reading content, ATI assignments, and workbook assignments that are predetermined as being a part of the "unit exam" column</p> <p>** Note: For full credit, the student must be present at the time the unit exam is started. If late or absent, 10 points will be deducted from the grade. The unit exam must be made up on the first opportunity as determined by the instructor. Failure to make up a missed test on the first opportunity will result in a "ZERO" for that test.</p>
Daily Grades	5%	<p>Daily grades will include pre-lecture material that is scheduled to be turned in by the morning of lecture day (prior to lecture). Daily grades may include but is not limited to: pop-quizzes,</p>

		<p>ATI tutorials, ATI quizzes, simulation activities, case studies or any other activity that is set to be given.</p> <p>** Note: Late work WILL NOT be accepted. If absent on due date, and failure to turn the material in on the next day present then a "ZERO" will be entered into the gradebook. Daily work completed in class may not be made up if student was absent for that day.</p>
Comprehensive Final	30%	<p>** Note: If absent for the final or not present at the beginning of the Final, 10 points will be deducted. The final must be made up on the first opportunity as determined by the instructor.</p>
100%		TOTAL

Grading Scale:

- "A" = 90-100
- "B" = 80-89
- "C" = 70-79
- "D" = 60-69
- "F" = 0-59

Grading Policy:

Class/Theory Grading Policy:

Students will receive a numerical grade. A grade of 75% or greater is required to pass. Each theory course requires that students also reach an average of 75% on unit exams (50%) and the final (50%) in order to pass the course, this is a threshold and no other grades will be utilized

until this threshold is met. Example: Student has a class average of 78 but the unit exam and final exam average is 74, this student does not pass the course and must repeat. Theory grades are assigned according to the following scale:

Grades will be calculated at the end of the semester for each theory class according to the formula specified in the course syllabus. There will be no rounding of grades in the Vocational Nursing program. A grade of 74.99 (or lower) is a failing grade. In the event of an absence, quizzes and daily work cannot be made up. They will receive a zero for those assignments. If the student is absent of the day of an exam, they will be required to make that exam up on the first day of returning to class, and at a time that the instructor assigns. An automatic 10 points will be deducted from any exam that is not taken on the original assigned date.

No late work is accepted in the Vocational Nursing Program. If there is an extenuating circumstance, the course instructor will make the exception on an individual basis.

Student Course Participation

As a student, I understand that I am responsible for keeping up with the course. To help with this, I will

- identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable;
- recognize that the college provides free Wi-Fi and computer labs during regular campus hours to help me with accessing my course; and,
- understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

- getting “kicked off” of the system during tests or quizzes;
- having trouble submitting assignments; and
- dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will

- seek out help from my instructor and/or from tutors;
- ask questions if I don't understand; and
- access my course several times during the week to keep up with assignments and announcements.

Course Policies

Disclaimer

This syllabus is tentative and subject to change in any part at the discretion of the instructor. Any changes will be in accordance with Odessa College policies. Students will be notified of changes, if any, in timely manner.

Original Effort

The work submitted for this course must be original work prepared by the student enrolled in this course. Efforts will be recognized and graded in terms of individual participation and in terms of ability to collaborate with other students in this course.

Course Alignment with Industry Standards

Digital Protocol

Cell phones must be placed on either *vibrate* or *silent* mode and are to be accessed in emergency cases only. Each student should give family members a copy of his/her clinical and class schedule. If an emergency occurs requiring immediate notification of the student, all efforts will be made to contact the student in a timely manner. Family may also contact the Odessa College Campus Police for evening emergencies, 432-335-6666. If the student is in clinical, the most expedient method to contact the student will be for family to contact the unit or area where the student is assigned. This should occur only if a true emergency exists. If the instructor has a pager or cell phone, have family call the instructor. If the family member calls the Nursing Office during day time hours, attempts will be made to reach the instructor and/or student in the clinical setting. The student must promptly notify the instructor in the event of personal emergency and cannot leave the area without proper notification. Personal calls of a non-emergent nature are not allowed when the student is in the clinical area of any hospital or agency.

The use of laptops or any other digital device is permitted in order to facilitate note-taking relative to instruction. **The electronic recording of the time on Blackboard will be considered the time of assignment submission. Take necessary steps to ensure that your assignments are submitted on "Blackboard" time.** Back-up and/or additional copies of all assignments submitted is encouraged. **Computers/printers are available to OC students in the ABTC and LRC (301-303); therefore, not having access to a computer due to technical issues (crash; corrupted files) will not be considered as an acceptable reason for not completing assignments.** If there is a loss of server connection with Odessa College due to maintenance, then an email will be sent to student with pertinent information and status reports. Assignments submitted electronically need to be **WORD documents (doc or docx).**

Attendance Policy

Students are expected to attend class regularly.

The student must be prompt in reporting for class and for clinical rotations. Tardiness, which is defined as being late in excess of fifteen minutes, is not professional and is an unacceptable practice. Absences are discouraged.

Students are expected to attend all scheduled theory, laboratory, and clinical classes. Good attendance helps ensure success in nursing school as there is a large volume of materials to cover and laboratory/clinical experiences provide necessary connection of theory to practice. Attendance and punctuality are also important professional responsibilities. In the event of illness or family crisis, the instructor should be notified as soon as possible. Absences due to extenuating circumstance will be considered on an individual basis. Awarding of grades and progression are affected by absences in the following manner:

Absence from Clinical: The following will result in an automatic grade of zero for a clinical day and a written Violation of the NAH Code of Conduct:

- Failure to notify the clinical instructor and clinical site of an absence at least 15 minutes in before the clinical day begins.
- Clinical absences will be made up to meet course objectives. Tardies over 15 minutes from a clinical site will be considered an absence and must be made up.

- If a student shows up to a clinical without proper paperwork, attire or equipment, the student will be sent home and the clinical will be considered an absence and must be made up.
- Missed clinical hours must be made up hour for hour. The LVN program will only offer up to 16 make-up clinical hours per semester.

****Any clinical time missed over 16 hours per semester will result in dismissal from the VN Program.****

Absence from Classroom and Lab: The following will result in an automatic grade of zero for a class/lab day and a written Violation of the NAH Code of Conduct:

- Lecturing instructor should be notified of any absence as soon as there is a conflict and at least before the class begins. If the instructor cannot be reached, a message may be left on the instructor's voice mail or in the Nursing Office. Follow the guidelines set by each instructor.
- If the student does not call, it will be considered a no call no show and the lab time must be made up hour for hour.

****Any course absence of more than 20% of scheduled**

AVID

This course has been identified as a course by Career, Technical, and Workforce Education as one in which teaching and learning strategies adopted by AVID will be implemented. As a student in this course, you will be expected to develop an understanding of the strategies, to model the strategies, to maintain fidelity of implementation, and to examine how these strategies may impact your effectiveness as a professional in your chosen area of occupation, either through coursework or practicum experience as outlined by the course instructor.

Grade Inquiry Policy

It is the responsibility of the individual taking this course to maintain accurate track of assignment submissions and grades. There will be opportunities during the semester to meet with the instructor to discuss your academic progress. Contact the instructor to schedule an appointment. Class time will not be used for grade inquiries. All grades are final.

General Course Requirements

1. Attend class and participate.
2. Contribute and cooperate with civility.
3. **Submit assignments on time. Late work will not be accepted. Medical and/or family circumstances that warrant an extension on assignments need to be presented to the instructor. Extensions will be allowed at the instructor's discretion.**

Incomplete Policy

An 'Incomplete' grade may be given only if:

1. The student has passed all completed work
2. If he/she has completed a minimum of 75% of the required coursework. A grade of an "I" will only be assigned when the conditions for completions have been discussed and agreed upon by the instructor and the student.

Course Schedule

(Tentative and Subject to Change)

Date	Instructional Approach (* denotes a strategy)	Assignment	Assignment Submission

Week 16: 12/7-12/8 *Final Exam 12/8	Review for final and work in SIMULATION LAB to practice skills		

Core Objectives (COs)

Description of Core Objectives (CO's)

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Therefore, with the assistance of the Undergraduate Education Advisory Committee, the Coordinating Board has approved guidelines for a core curriculum for all undergraduate students in Texas.

Through the application and assessment of objectives within the institution's core curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world; develop principles of personal and social responsibility for living in a diverse world; and advance intellectual and practical skills that are essential for all learning. Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (ICOs), as defined by the Texas Higher Education Coordinating Board (THECB). (Source: *Odessa College Catalog of Courses 2012-2013, page 73*)

Odessa College's Core Objectives (COs):

1. *Critical Thinking Skills (CT)* - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. *Communication Skills (COM)* - to include effective development, interpretation and expression of ideas through written, oral and visual communication
3. *Empirical and Quantitative Skills (EQS)* - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
4. *Teamwork (TW)* - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
5. *Social Responsibility (SR)* - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities
6. *Personal Responsibility (PR)* - to include the ability to connect choices, actions and consequences to ethical decision-making

Program Core Statement

Program-Level Student Learning Outcome(s)	Course Learning Outcomes	Specific Assignment
<i>Upon completion of this program, students will be able to communicate appropriate patient data in a professional, concise manner using appropriate terminology</i>	SLO 1, 2, 3	Unit Exams Simulations Case Studies ATI tutorials
<i>Upon completion of this program, students will be able to think critically about variations in health status, appropriate interventions and outcomes of patient care</i>	SLO 1, 2	Unit Exams Simulations Case Studies ATI tutorials
<i>Upon completion of this program, students will be able to reach minimum projection percentiles for NCLEX success based on the number of correct responses to the standardized test questions on Assessment Technologies Institute, (ATI) exam</i>	SLO 1, 2	Unit Exams ATI Tutorials

<i>Upon completion of this program, students will be able to demonstrate understanding of the Scope of Practice of the LVN through completion of the Juris Prudence Exam required by the Texas Board of Nursing</i>	SLO 3	Clinical scenarios, Case studies, unit exams
<i>Upon completion of this program, students will be able to demonstrate adequate knowledge to identify ethical and legal concerns evidenced by achieving a minimum of Level 2 on the Assessment Technologies Institute, (ATI) content mastery examination for PN Management.”</i>	SLO 1	ATI tutorials, ATI quizzes, Unit Exams

Course Objectives

Upon completion of this course the student will be able to:

- 1. Describe the underlying principles of selected nursing skills and their relationship to patient health status*
- 2. Demonstrate performance of selected nursing skills utilizing principles of safety*
- 3. Identify the nursing process as applied to basic care across the life span.*

Learning Outcomes

Outcome	ICO
SLO 1,3	<i>Critical Thinking Skills</i> - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
SLO 1, 2, 3	<i>Communication Skills</i> - to include effective development, interpretation and expression of ideas through written, oral and visual communication
	<i>Empirical and Quantitative Skills</i> - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
SLO 2, 3	<i>Teamwork</i> - to include the ability to consider different points of view and to work effectively with others to support a shared

	purpose or goal
SLO 3	<i>Social Responsibility</i> - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities
SLO 2	<i>Personal Responsibility</i> - to include the ability to connect choices, actions and consequences to ethical decision-making

Odessa College Policies

Tuition Discounts

The ***“First Course is Free”*** discount waives standard tuition and fees for the first 3 credit hours taken at Odessa College. The discount applies to high school graduates taking their first class at Odessa College as well as transfer students taking their first class at Odessa College.

The ***“Academic Progress Discount”*** provides a 10% tuition discount upon completion of 30 credit hours until reaching 45 credit hours. It provides a 20% discount upon completion of 45 credit hours until reaching 60 credit hours. Student must maintain a 2.0 GPA to remain eligible for the discount.

Academic Policies

Note that the OC Student Handbook states (page 32) that “[i]n cases of academic dishonesty, the instructor has the authority to impose appropriate scholastic penalties. Complaints or appeals of disciplinary sanctions may be filed in accordance with the college due process procedure. Copies of the college due process procedure are available in the office of The Director of Student Life (CC104).”

For more information on your rights and responsibilities as a student at Odessa College, please refer to the following: *The 411 of OC: Student Handbook 2012-2013; Student Rights & Responsibilities* <http://www.odessa.edu/dept/studenthandbook/handbook.pdf>

Scholastic Dishonesty

Scholastic dishonesty shall constitute a violation of these rules and regulations and is punishable as prescribed by board policies. Scholastic dishonesty shall include, but not be limited to, cheating on a test, plagiarism and collusion.

"Cheating on a test" shall include:

- Copying from another student's test paper
- Using test materials not authorized by the person administering the test.
- Collaborating with or seeking aid from another student during a test without permission from the test administrator.
- Knowingly using, buying, selling, stealing or soliciting, in whole or in part, the contents of an unadministered test.
- The unauthorized transporting or removal, in whole or in part, of the contents of the unadministered test.
- Substituting for another student, or permitting another student to substitute for one's self, to take a test.
- Bribing another person to obtain an unadministered test or information about an unadministered test.

- "Plagiarism" shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means another's work and the unacknowledged submission or incorporation of it in one's own written work.
- "Collusion" shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. (Source: *Odessa College Student Handbook 2012-2013, page 29-30*)

Special Populations/Disability Services/Learning Assistance

Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call the Office of Disability services at 432-335-6861 to request assistance and accommodations.

Odessa College affirms that it will provide access to programs, services and activities to qualified individuals with known disabilities as required by **Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 (ADA)**, unless doing so poses an undue hardship or fundamentally alters the nature of the program or activity. Disabilities may include hearing, mobility or visual impairments as well as hidden disabilities such as chronic medical conditions (arthritis, cancer, diabetes, heart disease, kidney disorders, lupus, seizure disorders, etc.), learning disabilities or psychiatric or emotional disabilities. A student who comes to Odessa College with diagnosed disabilities which may interfere with learning may receive accommodations when the student requests them and submits proper documentation of the diagnosis. A Request for Accommodations form and guidelines for beginning the request process are available in the OC Help Center or on the Odessa College web site at <http://www.odessa.edu/dept/counseling/disabilities/index.htm>. The college strives to provide a complete and appropriate range of services for students with disabilities such as assistance with testing, registration, information on adaptive and assistive equipment, tutoring, assistance with access and accommodations for the classroom where appropriate. For information regarding services, students with disabilities should contact the Office of Disability Services in the OC Help Center located in Room 204 of the Student Union Building or call 432-335-6433. (Source: *Odessa College Catalog of Courses 2012-2013, page 52*)

Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. **No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of "F."** (Source: *Odessa College Catalog of Courses 2012-2013, page 36*)

Student Support Services and Technical Support

Blackboard Support

I can't log into my Blackboard Course, who do I contact?

Contact the Student Success Center: 432-335-6673 or online at https://www.odessa.edu/dept/ssc/helpdesk_form.htm. The SSC can provide you with your Blackboard login name. If you are not sure what your password is, they can reset your password.

I'm having a problem in my Blackboard Course, who do I contact?

For any problem that you have in your online course, always contact your Instructor first. Refer to the Instructor's Contact Information area of the Syllabus for their preferred method of contact and the expected response time.

Student E-mail Support

How do I set up, access, or update my Odessa College Student E-mail account?

Go to this website and follow the directions on the page: <http://www.odessa.edu/gmail/>.

I can't access my student email! I forgot my password!

Contact the Student Success Center: 432-335-6673 or online at https://www.odessa.edu/dept/ssc/helpdesk_form.htm. They can provide you with assistance in accessing your student email (created by OC) and can also assist with resetting your student email password. Make sure to have your student ID number available!

Your Blackboard login name is associated with your OC created student email account. All Correspondence for this course will be submitted using your Odessa College student email address.
