You can expect feedback on assignments within a week's time.

#### Student Course Participation

As a student, I understand that I am responsible for keeping up with the course. To help with this, I will identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable; recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and, understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to getting "kicked off" of the system during tests or quizzes; having trouble submitting assignments; and dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will seek out help from my instructor and/or from tutors; ask questions if I don't understand; and access my course several times during the week to keep up with assignments and announcements.

As a student, I understand that I will have the opportunity to provide feedback on my experience in this course through an end-of-course Student Evaluation of Instruction (SEI).

### Attendance Policy

Attend Class on a regular basis, whenever absent notify instructor. Attendance will be recorded using a "sign-in" sheet. Excessive absences will be grounds for disciplinary action, and will be determined on a case-by-case basis. If you are more than 15 minutes late to class or leave class early without notifying the instructor, this will count as an absence. (Odessa College Policy). Students are permitted 3 absences before a loss of credit. Attendance requirement: Students must attend 90% of class and lab time in order to obtain credit. After 3 absences you must do make-up time. This course is an 8 week course designed for students who are in their last semester and preparing for their State Exam, you are required to attend class Monday-Thurs. from 8:00am-5:00pm. Lecture and Lab schedule will be provided. Friday's will be available for make-up time to be announced by your instructor if needed. Make-up time will only be for excused absences.

This is the Cosmetology Department policy: Regular, punctual attendance is required for all classes in the Cosmetology program. The Cosmetology faculty believes that attendance and punctuality is required at every session of each course for which the student is enrolled. Therefore, you MUST be present at your assigned time. An attendance policy is included in every course syllabus. When unavoidable circumstances make attendance impossible, students must provide a satisfactory explanation of their absences to their instructor verbally and in writing. Unavoidable circumstances are considered but not limited to: accidents, death, and hospitalization of immediate family members and court ordered subpoenas.

As an Odessa College Cosmetology student, you will be expected to maintain a minimum of 90% attendance for the semester. You will be dropped from the program if you are absent for more than 3 days (24 hours) for the first 8 weeks.

A "tardy" will be defined as:

- 3 tardies for the semester is equal to 1 absence

When a Cosmetology student is absent, he/she will receive a recorded absence, against the 90% attendance requirement.

If you are not present for roll call you will be counted absent on your professionalism grade.

Clinic experiences are a vital component of the Cosmetology, Clinic absences are not acceptable. If the student is absent the clinic instructor must be personally notified at least one hour prior to the start of each day.

Make up lab times are made available to the student who has fallen below the 90 % attendance policy

(more than 3 absences). This time is required to be made up before the end of the semester. These make up times will be announced throughout the semester and will be either on or off campus.

If a student completes the credits but does not maintain the 90 % attendance with extreme absences and no make-up time completed, will have to return the following semester to complete the missed time, by taking a continuing ed course. The credit completion will not be turned into Texas Department of Licensing and Regulation until the TDLR attendance requirements are met. Students will receive hours at the end of the course or module or if the student drops or withdraws, submit to the department an electronic record of each student's accrued credit hours in a manner and format prescribed by the department.

### Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of "F." (Source: Odessa College Catalog of Courses 2012-2013, page 36)
