As a student, I understand that I am responsible for keeping up with the course. To help with this, I will identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable;

recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and,

understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

getting "kicked off" of the system during tests or quizzes;

having trouble submitting assignments; and

dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will seek out help from my instructor and/or from tutors;

ask questions if I don't understand; and

access my course several times during the week to keep up with assignments and announcements.

As a student, I understand that I will have the opportunity to provide feedback on my experience in this course through an end-of-course Student Evaluation of Instruction (SEI).

Disclaimer

This syllabus is tentative and subject to change in any part at the discretion of the instructor. Any changes will be in accordance with Odessa College policies. Students will be notified of changes, if any, in a timely manner.

Original Effort

The work submitted for this course must be original work prepared by the student enrolled in this course.

Course Alignment with Industry Standards

Digital Protocol

Cell phones must be placed on either vibrate or silent mode and are to be accessed in emergency cases only. The use of laptops or any other digital device is permitted in order to facilitate learning.

For online submissions, the electronic recording of the time on Blackboard will be considered the time of assignment submission. Take necessary steps to ensure that your assignments are submitted on "Blackboard" time. Back-up and/or additional copies of all assignments submitted is encouraged. Computers/printers are available to OC students in the LRC (301-303); therefore, not having access to a computer due to technical issues (crash; corrupted files) will not be considered as an acceptable reason for not completing assignments. If there is a loss of server connection with Odessa College due to maintenance, then an email will be sent to students with pertinent information and status reports.

Assignments submitted electronically need to follow the file-type requirements provided by the instructor.

### Attendance Policy

Students are expected to attend class regularly. Attendance will be recorded using a “sign-in” sheet. Excessive absences will be grounds for disciplinary action, and will be determined on a case-by-case basis. If you are more than 15 minutes late to class or leave class early without notifying the instructor, this will count as an absence. Students are permitted 3 absences before a loss of credits \_\_\_\_\_.

### ADDITIONAL INFORMATION

Regular, punctual attendance is required for all classes in the Cosmetology program. The Cosmetology faculty believes that attendance and punctuality is required at every session of each course for which the student is enrolled. Therefore, you **MUST** be present at your assigned time. An attendance policy is included in every course syllabus. When unavoidable circumstances make attendance impossible, students must provide a satisfactory explanation of their absences to their instructor verbally and in writing. Unavoidable circumstances are considered but not limited to: accidents, death, and hospitalization of immediate family members and court ordered subpoenas.

As an Odessa College Cosmetology student, you will be expected to maintain a minimum of 90% attendance for the semester. You will be dropped from the program if you are absent for more than 3 days (24 hours) this semester.

A “tardy” will be defined as:

- Three (3) tardies will equal 1(one) full absence.

When a Cosmetology student is absent, he/she will receive a recorded absence, against the 90% attendance requirement.

If you are not present for roll call you will be counted absent on your professionalism grade.

Clinic experiences are a vital component of the Cosmetology, Clinic absences are not acceptable. If the student is absent the clinic instructor must be personally notified at least one hour prior to the start of each day.

Make up lab days:

Make up lab times are made available to the student that has fallen below the 90% attendance policy (more than 3 absences). This time is required to be made up before the end of the semester. These make up times will be announced throughout the semester and will be either on or off campus.

If a student completes the credits, but does not maintain the 90% attendance with extreme absences and no make up days completed, will have to return the following semester to complete the missed time, by taking a Continuing Ed. Course. The credit completion will not be turned into the Texas Department of Licensing & Regulations, until the TDLR attendance requirements are met.

#### Description of Core Objectives (CO's)

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Therefore, with the assistance of the Undergraduate Education Advisory Committee, the Coordinating Board has approved guidelines for a core curriculum for all undergraduate students in Texas.

Through the application and assessment of objectives within the institution's core curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world; develop principles of personal and social responsibility for living in a diverse world; and advance intellectual and practical skills that are essential for all learning. Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (COs), as defined by the Texas Higher Education Coordinating Board (THECB). (Source: Odessa College Catalog of Courses 2012-2013, page 73)

#### Odessa College's Core Objectives (COs):

Critical Thinking Skills - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information

Communication Skills - to include effective development, interpretation and expression of ideas through written, oral and visual communication

Empirical and Quantitative Skills - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions

Teamwork - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal

Personal Responsibility - to include the ability to connect choices, actions and consequences to ethical decision-making

Social Responsibility - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

In the left-hand column, list specific SLOs that indicate what students will be able to do at the end of the course. You may reference the number from the Learning Outcomes listed in the Course Learning Outcomes list under the Course Description.

Determine, as appropriate, how your SLOs align with the CO’s that are listed in the right-hand column.

NOTE: A course may not incorporate all 6 COs. Every course should include an SLO that aligns with “critical thinking” and “communication” skills. Every Core course has assigned CO’s indicated in the chart above that should correlate to SLO’s here.

Student Learning Outcome(s)	Core Objectives (CO's)
	Critical Thinking Skills - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
	Communication Skills - to include effective development, interpretation and expression of ideas through written, oral and visual communication

### Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar's Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar's Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student's orders must be presented to the Registrar's Office at the time of the withdrawal. For details, please contact the Office of the Registrar. No longer attending class does not automatically constitute withdrawal from that class, nor does a student's notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of "F." (Source: Odessa College Catalog of Courses 2012-2013, page 36)
