

PTHA 2431

Management of Neurological Disorders

Spring 2015

Faculty Information

Name: Matt Bertrand
E-Mail: mbertrand@odessa.edu
Phone: 432.335.6830
Office: CT 103A

Office Hours	
Campus Office Hours:	Monday to Thursday 8:00 am-08:30 am 3:30 PM – 5:00 PM Friday 08:00AM- 10:00AM
Online Office Hours:	n/a

About Your Instructor

Dork. Husband. Father. Loved by Jesus.

Preferred Method of Communication:

Text and/ or email work best. I will not respond to texts (unless it is an emergency) after 6 PM.

Expectations for Engagement for Instructor:

As an instructor, I understand the importance of clear, timely communication with my students. In order to maintain sufficient communication, I will

- provide my contact information at the beginning of the syllabus;
- respond to all messages within 24 hours if received Monday through Thursday, and within 48 hours if received Friday through Sunday; and,
- notify students of any extended times that I will be unavailable and provide them with alternative contact information (for me or other PTA faculty) during the time I am unavailable.

As an instructor, I understand that my students will work to the best of their abilities to fulfill the course requirements. In order to help them in this area, I will

- provide clear information about grading policies and assignment requirements in the course syllabus, and
- communicate any changes to assignments and/or to the course calendar to students as quickly as possible.

As an instructor, I understand that I need to provide regular, timely feedback to students about their performance in the course. To keep students informed about their progress, I will

- post grades for discussion postings within one week of the discussion thread closing.
- provide grades for major assignments within 2 weeks of the due date or at least 3 days before the next major assignment is due, whichever comes first.

Textbook Information and Required Hardware/Software

Textbook(s):

1. *Neurologic Intervention for Physical Therapy - Second Edition; by Martin & Kessler; Saunders*
2. *Lecture Notes Packet for PTHA 2431*

Information About the Course

Course Description

Advanced course integrating previously learned and new skills/techniques into the comprehensive rehabilitation of selected neurological disorders. Time management, creative thinking, decision-making, problem-solving and reasoning abilities as they relate to progressing the plan of care are emphasized. Sections of study will include selected progressive disabilities, traumatic brain injury, cerebral vascular accident, spinal cord injury and pediatric neurological conditions. This course is completed during the first part of the semester to allow for the final full-time clinical experiences. (ICOs 1, 2, 3, 4, 5)

Course Prerequisites:

PTHA 2409; PTHA 2201; PTHA 2462 (Source: Odessa College Catalog of Courses)

Course Topics:

- I. INTRO TO NEUROLOGIC INTERVENTIONS
 - A. Treatment Approach Used With Neuro Patients
 - B. Brain Functions
- II. CVA
 - A. Introduction to Cerebrovascular Accidents
 - B. Common Stroke Syndromes
 - C. Visual Impairments
 - D. Sensory Impairments
 - E. Perceptual Impairments
 - F. Communication Impairments
 - G. Orofacial Deficits
 - H. Respiratory Impairments
 - I. Shoulder Dysfunction
 - J. Motor Impairments
 - K. Specific Treatment Approaches
 - L. Medications
 - M. General Treatment Guidelines
 - N. Positioning
 - O. ROM Exercises

- P. Functional Training
- Q. Mat Program
- III. TRAUMATIC BRAIN INJURY
 - A. Introduction
 - B. Incidence
 - C. Pathophysiology
 - D. Signs and Symptoms
 - E. Specific Deficits Post Head Injury
 - F. Prognostic Indicators and Outcome Predictors
 - G. Treatment for patients at Rancho Levels I - VIII
 - H. Medications commonly used with TBI
 - I. Hints to Enhance Recovery From TBI
- IV. SPINAL CORD INJURY
 - A. Introduction
 - B. Etiology
 - C. Classification of SCI
 - D. Mechanisms of Injury
 - E. Brown-Séquard (sa kar') Syndrome
 - F. Anterior Cord Syndrome
 - G. Central Cord Syndrome
 - H. Posterior Cord (Dorsal Column) Syndrome
 - I. Sacral Sparing
 - J. Cauda Equina Injuries
 - K. Root Escape
 - L. Clinical Picture Following SCI
 - M. Complications
 - N. Acute Management - Fracture stabilization
 - O. P.T. Assessment
 - P. Treatment
- V. PEDIATRICS
 - A. Developmental Process
 - B. Cerebral Palsy
 - C. Treatment of Cerebral Palsy
 - D. Myelomeningocele
 - E. Treatment of Myelomeningocele
- VI. MULTIPLE SCLEROSIS
 - A. Introduction
 - B. Clinical Signs / Symptoms and Treatment
 - C. Pt / Family Education
- VII. PARKINSON'S DISEASE
 - A. Introduction
 - B. Clinical Signs
 - C. Drug Management
 - D. Surgical Management
 - E. Physical Therapy Intervention
- VIII. GUILLAIN-BARRÉ SYNDROME
 - A. Introduction
 - B. Clinical Signs / Symptoms
 - C. Physical Therapy Intervention
- IX. POSTPOLIO SYNDROME
 - A. Introduction
 - B. Clinical Signs / Symptoms
 - C. Physical Therapy Intervention

Competencies:

1.0 To demonstrate competency in describing characteristics and clinical manifestations of common neurological conditions, the student should be able to:

- 1.1. *Identify and describe etiologic factors and clinical manifestations of selected neurological conditions.
- 1.2. *Describe levels of arousal, mentation and cognition using selected scales.
- 1.3. *Describe selected abnormal patterns of muscle tone.

2.0 To demonstrate competency in understanding the role of physical therapy in the rehabilitation of selected neurological conditions within the plan of care established by the physical therapist, the student should be able to:

- 2.1. *Identify treatment precautions for selected neurological conditions.
- 2.2. *Identify and describe important components of a physical therapy program for selected neurological conditions.
- 2.3. *Perform and/or describe typical physical therapy interventions for patients with selected neurological conditions, including bed mobility training, mat activities, developmental activities, facilitation, inhibition, activities of daily living training, use of assistive/adaptive devices, gait training and wheelchair management skills.
- 2.4. *Describe patient responses that necessitate immediate action or adjustments within the plan of care and communication with the supervising physical therapist.

Grading

Type of Assignment	Percentage/Points	Learning Objective
Tests	70%	
Final Exam	30%	
	100%	TOTAL

Grading Scale:

- “A” = 90-100
“B” = 80-89
“C” = 70-79
“D” = 60-69
“F” = 0-59

Student Course Participation

As a student, I understand that I am responsible for keeping up with the course. To help with this, I will

- identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable;
- recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and,
- understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

- getting “kicked off” of the system during tests or quizzes;

- having trouble submitting assignments; and
- dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will

- seek out help from my instructor and/or from tutors;
- ask questions if I don't understand; and
- access my course several times during the week to keep up with assignments and announcements.

As a student, I understand that I will have the opportunity to provide feedback on my experience in this course through an end-of-course Student Evaluation of Instruction (SEI).

Course Policies

Disclaimer

This syllabus is tentative and subject to change in any part at the discretion of the instructor. Any changes will be in accordance with Odessa College policies. Students will be notified of changes, if any, in a timely manner.

Original Effort

The work submitted for this course must be original work prepared by the student enrolled in this course.

Course Alignment with Industry Standards

This course is required as a component of the degree plan for an AAS in PTA. CAPTE accreditation of the PTA program can be found on the PTA Program website www.odessa.edu/dept/pta

Digital Protocol

Cell phones must be placed on either *vibrate* or *silent* mode and are to be accessed in emergency cases only. The use of laptops or any other digital device is permitted in order to facilitate learning.

For online submissions, the electronic recording of the time on Blackboard will be considered the time of assignment submission. Take necessary steps to ensure that your assignments are submitted on "Blackboard" time. Back-up and/or additional copies of all assignments submitted is encouraged. **Computers/printers are available to OC students in the LRC (301-303); therefore, not having access to a computer due to technical issues (crash; corrupted files) will not be considered as an acceptable reason for not completing assignments.** If there is a loss of server connection with Odessa College due to maintenance, then an email will be sent to students with pertinent information and status reports. Assignments submitted electronically need to follow the file-type requirements provided by the instructor.

Attendance Policy

Regular attendance at lecture and lab is essential and has a direct effect on the final grade that a student earns in class. Non-attendance on the part of a student may result in grade penalty or may lead to dismissal from the program.

A student should attend all lecture and laboratory sessions. Habitual or patterned absenteeism in lecture or lab will not be tolerated. As soon as such a problem is identified, the student will be required to meet with the faculty to determine a course of action and, if the problem is not corrected, the student will be subject to dismissal from the program. Absences in laboratory sessions are particularly problematic because of the lost

opportunity to practice skills; therefore, students will be penalized for missing more than one lab session per semester. Should a student miss more than one lab session, one point for each missed session will be deducted from the final course grade.

3 unexcused absences will result in loss of 10 points from the student's final grade, at the discretion of the PTA instructorAll absences must be reported to the appropriate faculty member prior to the start of class. If the faculty member cannot be reached directly, a voice mail message may be left. Failure to notify the faculty prior to an absence will affect the student's Professional Behaviors Assessment.

AVID

Multiple AVID strategies are utilized in this course, including but not limited to JigSaw, Think-Pair-Share, Quick Write, Muddiest Point.

Grade Inquiry

It is the responsibility of the individual taking this course to maintain accurate track of assignment submissions and grades. There will be opportunities during the semester to meet with the instructor to discuss your academic progress. Contact the instructor to schedule an appointment. Class time will not be used for grade inquiries. All grades are final. **Tests may be reviewed up to one week after date given.**

Grade Policy

Please understand that this is a required course for the PTA program in order to prepare you for your Neuro Clinical Rotation. Quality work and active participation is expected and not to be negotiated. Any written assignments or tests will be graded outside of class. You can expect feedback on assignments within a week's time.

Note: Students must make a minimum grade of a 70 "C" in each PTA course in order to remain in the program.

General Course Requirements

1. Attend class and participate.
2. Contribute and cooperate with civility.
3. **Submit assignments on time. (insert your late work policy).**

Incomplete Policy

An 'Incomplete' grade may be given only if:

1. The student has passed all completed work
2. If he/she has completed a minimum of 75% of the required coursework. A grade of an "I" will only be assigned when the conditions for completions have been discussed and agreed upon by the instructor and the student.
3. An Incomplete form is submitted

Course Schedule

(Tentative and Subject to Change)

See calendar in lecture packet

General Education - Core Objectives (COs)

(Note to course instructor: Delete this entire section if this course is not part of the Core Curriculum or General Education courses.)

Description of Core Objectives (CO's)

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Therefore, with the assistance of the Undergraduate Education Advisory Committee, the Coordinating Board has approved guidelines for a core curriculum for all undergraduate students in Texas.

Through the application and assessment of objectives within the institution's core curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world; develop principles of personal and social responsibility for living in a diverse world; and advance intellectual and practical skills that are essential for all learning. Appropriate Odessa College faculty periodically evaluates all of the courses listed in the descriptions on the following pages of this catalog and keys them to Odessa College's Institutional Core Objectives (COs), as defined by the Texas Higher Education Coordinating Board (THECB). (Source: *Odessa College Catalog of Courses 2012-2013, page 73*)

Odessa College's Core Objectives (COs):

1. *Critical Thinking Skills* - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. *Communication Skills* - to include effective development, interpretation and expression of ideas through written, oral and visual communication
3. *Empirical and Quantitative Skills* - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
4. *Teamwork* - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
5. *Personal Responsibility* - to include the ability to connect choices, actions and consequences to ethical decision-making
6. *Social Responsibility* - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

Discipline Core Statement

(Note to course instructor: If this course is a CORE CURRICULUM course, fill in the following area. Please consult with your department chair if you have any questions regarding this section.)

(Discipline Name Here)

(Your department will provide you with a body of text that will be copied and pasted into this area.)

 = Required Core Objectives

Foundational Component Area	SCH	CT	COM	EQS	TW	SR	PR
(Area)	#						
(Body text here)							

Student Learning Outcomes (SLOs)

The following table details how this course’s STUDENT LEARNING OUTCOMES (SLOs) align with COs.
 Directions for Instructor:

1. *In the left-hand column, list specific SLOs that indicate what students will be able to do at the end of the course. You may reference the number from the Learning Outcomes listed in the Course Learning Outcomes list under the Course Description.*
2. *Determine, as appropriate, how your SLOs align with the CO’s that are listed in the right-hand column. NOTE: A course may not incorporate all 6 COs. Every course should include an SLO that aligns with “critical thinking” and “communication” skills. Every Core course has assigned CO’s indicated in the chart above that should correlate to SLO’s here.*

Student Learning Outcome(s)	Core Objectives (CO's)
	<i>Critical Thinking Skills</i> - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
	<i>Communication Skills</i> - to include effective development, interpretation and expression of ideas through written, oral and visual communication
	<i>Empirical and Quantitative Skills</i> - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
	<i>Teamwork</i> - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
	<i>Personal Responsibility</i> - to include the ability to connect choices, actions and consequences to ethical decision-making
	<i>Social Responsibility</i> - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

Program-Level Student Learning Outcomes (SLOs)

If this course has been identified as part of the program-level assessment process, include the program-level SLO that has been developed for this course. Please consult with your department chair if you have any questions regarding this section. Delete this section if it does not apply.

Program-Level Student Learning Outcome(s)	Course Learning Outcomes	Specific Assignment

Odessa College Policies

Tuition Discounts

The “*First Course is Free*” discount waives standard tuition and fees for the first 3 credit hours taken at Odessa College. The discount applies to high school graduates taking their first class at Odessa College as well as transfer students taking their first class at Odessa College.

The “*Academic Progress Discount*” provides a 10% tuition discount upon completion of 30 credit hours until reaching 45 credit hours. It provides a 20% discount upon completion of 45 credit hours until reaching 60 credit hours. Student must maintain a 2.0 GPA to remain eligible for the discount.

Academic Policies

Note that the OC Student Handbook states (page 32) that “[i]n cases of academic dishonesty, the instructor has the authority to impose appropriate scholastic penalties. Complaints or appeals of disciplinary sanctions may be filed in accordance with the college due process procedure. Copies of the college due process procedure are available in the office of The Director of Student Life (CC104).”

For more information on your rights and responsibilities as a student at Odessa College, please refer to the following: *The 411 of OC: Student Handbook 2012-2013; Student Rights & Responsibilities* <http://www.odessa.edu/dept/studenthandbook/handbook.pdf>

Scholastic Dishonesty

Scholastic dishonesty shall constitute a violation of these rules and regulations and is punishable as prescribed by board policies. Scholastic dishonesty shall include, but not be limited to, cheating on a

test, plagiarism and collusion.

"Cheating on a test" shall include:

- Copying from another student's test paper
- Using test materials not authorized by the person administering the test.
- Collaborating with or seeking aid from another student during a test without permission from the test administrator.
- Knowingly using, buying, selling, stealing or soliciting, in whole or in part, the contents of an unadministered test.
- The unauthorized transporting or removal, in whole or in part, of the contents of the unadministered test.
- Substituting for another student, or permitting another student to substitute for one's self, to take a test.
- Bribing another person to obtain an unadministered test or information about an unadministered test.
- "Plagiarism" shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means another's work and the unacknowledged submission or incorporation of it in one's own written work.
- "Collusion" shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements. (Source: *Odessa College Student Handbook 2012-2013, page 29-30*)

Special Populations/Disability Services/Learning Assistance

Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call the Office of Disability services at 432-335-6861 to request assistance and accommodations.

Odessa College affirms that it will provide access to programs, services and activities to qualified individuals with known disabilities as required by **Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 (ADA)**, unless doing so poses an undue hardship or fundamentally alters the nature of the program or activity. Disabilities may include hearing, mobility or visual impairments as well as hidden disabilities such as chronic medical conditions (arthritis, cancer, diabetes, heart disease, kidney disorders, lupus, seizure disorders, etc.), learning disabilities or psychiatric or emotional disabilities. A student who comes to Odessa College with diagnosed disabilities which may interfere with learning may receive accommodations when the student requests them and submits proper documentation of the diagnosis. A Request for Accommodations form and guidelines for beginning the request process are available in the OC Help Center or on the Odessa College web site at <http://www.odessa.edu/dept/counseling/disabilities/index.htm>. The college strives to provide a complete and appropriate range of services for students with disabilities such as assistance with testing, registration, information on adaptive and assistive equipment, tutoring, assistance with access and accommodations for the classroom where appropriate. For information regarding services, students with disabilities should contact the Office of Disability Services in the OC Help Center located in Room 204 of the Student Union Building or call 432-335-6433. (Source: *Odessa College Catalog of Courses 2012-2013, page 52*)

Dropping a Course or Withdrawing from College

Students wishing to drop a non-developmental course may do so online using WebAdvisor, at the Wrangler Express, or Registrar’s Office. A student wishing to drop a developmental course or withdraw from college should obtain a drop or withdrawal form from the Wrangler Express or the Registrar’s Office. Students are encouraged to consult with instructors prior to dropping a class. Students may not completely withdraw from the college by use of the Web. Students must drop a class or withdraw from college before the official withdrawal date stated in the class schedule. Students who are part of the Armed Forces Reserves may withdraw with a full refund if the withdrawal is due to their being ordered into active duty. A copy of the student’s orders must be presented to the Registrar’s Office at the time of the withdrawal. For details, please contact the Office of the Registrar. **No longer attending class does not automatically constitute withdrawal from that class, nor does a student’s notification to an instructor that the student wishes to be dropped. Failure of a student to complete the drop/withdrawal process will result in a grade of “F.”** (Source: *Odessa College Catalog of Courses 2012-2013, page 36*)

Student Support Services and Technical Support

Blackboard Support

I can’t log into my Blackboard Course, who do I contact?

Contact the Student Success Center: 432-335-6673 or online at https://www.odessa.edu/dept/ssc/helpdesk_form.htm. The SSC can provide you with your Blackboard login name. If you are not sure what your password is, they can reset your password.

I’m having a problem in my Blackboard Course, who do I contact?

For any problem that you have in your online course, always contact your Instructor first. Refer to the Instructor’s Contact Information area of the Syllabus for their preferred method of contact and the expected response time.

Additional Blackboard Help Resources:

Service	Assistance Provided	Available
Blackboard Help for Students	Website with a searchable list of topics on how to navigate and use Blackboard for online courses.	Online Click here.
Blackboard On Demand Learning Center for Students	This website provides an extensive list of short tutorial videos for student activities performed in Blackboard.	Online Click here.
Blackboard Collaborate: First Time Users	If you have never used Blackboard Collaborate before, this website provides a system requirements check, configuration instructions, and training and resources area.	Online Click here.
Blackboard Collaborate: Essentials for Participants	This website provides essential information for Participants of Collaborate sessions. Any	Online Click here.

	Collaborate user, whether first-time or experienced, would benefit from reviewing the information here.
